DEPARTMENT OF JUSTICE

Notice of Lodging of Modification To Consent Decree Under Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that on June 30, 2016, a proposed modification (“Modification”) to the consent decree in *United States v. City of Newburgh, et al.*, Civil Action No. 08 Civ. 7378, was lodged with the United States District Court for the Southern District of New York.

The Modification resolves the claims of the United States under sections 107 and 113 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. 9607 and 9613, against 34 potentially responsible parties (the “New Settlers”) who arranged for scrap metal containing hazardous substances to be transported to the Consolidated Iron and Metal Company Superfund Site for treatment or disposal. The site is a former junkyard and scrap metal processing facility located in the Newburgh, New York. Consolidated Iron and Metal Company, Inc., now defunct, operated the facility from the 1950s until 1999. Consolidated, while processing scrap metal materials, contaminated the site with hazardous substances, including lead, polychlorinated biphenyls and volatile organic compounds.

After the consent decree became effective, the five defendants who signed the consent decree (the “Original Settlers”) reached settlements with the New Settlers. As permitted by the consent decree, the Original Settlers presented the settlements to the Environmental Protection Agency for potential inclusion in the consent decree by amendment or separate agreement, with the net proceeds to be divided between the United States and the Defendants. EPA has agreed to

inclusion of the settlements with the New Settlers.

The total net proceeds from these settlements will be \$717,070. In accordance with the consent decree, the Modification provides for the New Settlers to pay \$437,078 to the United States and \$279,992 to the Original Settlers. The New Settlers will receive contribution protection and a covenant not to sue from the United States.

The publication of this notice opens a period for public comment on the Modification. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. City of Newburgh, et al.*, D.J. Ref. 90-11-3-07979/2.
