The CNAFR will operate under the provisions of the FACA and report to the Secretary of Agriculture. The purpose of the CNAFR is (1) to advise the Secretary of Agriculture on issues related to the participation of Native American farmers and ranchers in USDA loan and grant programs; (2) to transmit recommendations concerning any changes to USDA regulations or internal guidance or other measures that would eliminate barriers to program participation for Native American farmers and ranchers; (3) to examine methods of maximizing the number of new farming and ranching opportunities created by USDA loan and grant programs through enhanced extension and financial literacy services; (4) to examine the methods of encouraging intergovernmental cooperation to mitigate the effects of land tenure and probate issues on the delivery of USDA programs; (5) to evaluate other methods of creating new farming or ranching opportunities for Native American producers; and (6) to address other related issues as deemed appropriate.

Interested persons may present views, orally or in writing, on issues relating to the agenda topics before the CNAFR. Written submissions may be submitted to the Designated Federal Officer on or before July 22, 2016. Oral presentations from the public will be heard approximately 1:30 p.m.–4:00 p.m. on July 27, 2016.
