Department of the Army, Corps of Engineers

Termination of Intent To Prepare a Draft Environmental Impact Statement for the Dam Safety Study, Lewisville Dam, Elm Fork Trinity River, Denton County, Texas

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of Intent; withdrawal.

SUMMARY: The U.S. Army Corps of Engineers (USACE), Fort Worth District, is issuing this notice to advise Federal, state, and local governmental agencies and the public that USACE is withdrawing its Notice of Intent (NOI) to prepare a Draft Environmental Impact Statement (EIS) for the Dam Safety Study, Lewisville Dam, Elm Fork Trinity River, Denton County, Texas.

DATES: The Fort Worth District is planning to hold the next public meeting for the Dam Safety Study, Lewisville Dam, Elm Fork Trinity River, Denton County, TX on Tuesday, September 27, 2016 from 6:00-8:00 p.m. in the Black Box Theater Room at the Lewisville Grand Theater. Notice of this meeting will be sent to all appropriate parties at a later date.

ADDRESSES: U.S. Army Corps of Engineers, Regional Planning and Environmental Center, CESWF-PEG-CI (Attn: Ms. Marcia Hackett), 819 Taylor Street, Room 3A12, Fort Worth, TX 76102.

FOR FURTHER INFORMATION CONTACT: Marcia Hackett, Senior Environmental Planner, Regional Planning and Environmental Center. Email address: marcia.r.hackett@usace.army.mil.

SUPPLEMENTARY INFORMATION: USACE published an NOI in the **Federal Register** on August 15, 2013 (78 FR 49735) to prepare a Draft EIS pursuant to the National Environmental Policy Act (NEPA) for the Dam Safety Study, Lewisville Dam, Elm Fork Trinity River, Denton County, TX. Public scoping meetings were held on August 20, 2013 and November 16, 2015 to solicit public input on the scope of analysis; significant issues to be evaluated in the Draft EIS; cooperating agencies; direct, indirect and cumulative impacts resulting from the proposed action; and

proposed alternatives. Since that time, in the course of project planning and preliminary impact analysis, it no longer appears that impacts associated with project implementation would rise to a level necessitating an EIS, so the Fort Worth District has decided to complete NEPA compliance by preparing an Environmental Assessment instead. Therefore, the Fort Worth District is withdrawing the NOI to prepare a Draft EIS.

DEPARTMENT OF EDUCATION

[Catalog of Federal Domestic Assistance (CFDA) Number: 84.420A]

Reopening; Application Deadline for Fiscal Year 2015; Performance Partnership Pilots

AGENCY: Office of Career, Technical, and Adult Education, Department of Education.

ACTION: Notice.

SUMMARY: On April 26, 2016, we published in the **Federal Register** (81 FR 24573) a notice inviting applications (NIA) for the Fiscal Year (FY) 2015 Performance Partnership Pilots (P3) competition. The NIA established a deadline date of June 27, 2016, for the transmittal of applications. This notice reopens the competition until July 19, 2016.

DATES:

Deadline for Transmittal of Applications: July 19, 2016.

Deadline for Intergovernmental Review: September 15, 2016.

SUPPLEMENTARY INFORMATION: We are reopening this competition in order to allow applicants more time to prepare and submit their applications. A number of applications received in response to the NIA were not eligible because the applications did not meet all of the requirements in the NIA, including the deadline for the submission of applications. Therefore, we are reopening the competition to allow applicants to submit or resubmit applications that meet all of the requirements in the NIA.

Applicants that have already submitted applications under the FY 2015 P3 competition are encouraged to review their applications and determine whether they have met all eligibility and application requirements, including the

original deadline for submission, in the NIA and the application package, which is available on the Grants.gov Apply site. Applicants may review a recorded Webinar that discusses the eligibility and application requirements at <http://youth.gov/youth-topics/reconnecting-youth/performance-partnership-pilots/round-2-bidders-conference-recording>.

As stated above, applicants may resubmit applications that may not have met all of the requirements in the NIA. Applicants that have already submitted timely applications that meet all of the requirements of the NIA do not have to resubmit their applications. If a new application is not submitted, the Department will use the application that was submitted before the June 27, 2016, 4:30:00 p.m., Washington, DC time, deadline. Applications that did not meet the June 27, 2016, 4:30 p.m., Washington, DC time, deadline must be resubmitted to be considered for review.

Note: All information in the NIA for this competition remains the same, except for the deadline date. We remind applicants that, to be eligible, the application must be submitted by a State, local, or tribal government. Further, the application must identify two or more discretionary Federal programs¹ that will be included in the pilot, at least one of which must be administered (in whole or in part) by a State, local, or tribal government. These programs must be discretionary programs administered by one of the agencies to which the P3 authority provided in the Consolidated and Further Continuing Appropriations Act, 2015 (2015 Appropriations Act) or the Consolidated Appropriations Act, 2016 (2016 Appropriations Act) applies. These agencies are the Departments of Education (ED), Health and Human Services (HHS), Justice (DOJ),² and Labor (DOL), the Corporation for National and Community Service (CNCS), and the Institute for Museum and Library Services (IMLS).³ Further, applicants are

¹ Discretionary funds are funds that Congress appropriates on an annual basis, rather than through a standing authorization. They exclude "entitlement" (or mandatory) programs such as Social Security, Medicare, Medicaid, most Foster Care IV-E programs, Vocational Rehabilitation State Grants, and Temporary Assistance to Needy Families. Discretionary programs administered by the Agencies (as defined in the NIA) support a broad set of public services, including education, job training, health and mental health, and other low-income assistance programs.

² Under the language of the 2015 Appropriations Act, applicants may not propose to blend or request any waiver of program requirements associated with FY 2015 funds from DOJ's Office of Justice Programs in this competition. However, they may propose to braid those funds in this round of pilots. Additionally, applicants may include (by blending, braiding, or requesting associated waivers of program requirements) FY 2016 funds from DOJ's Office of Justice Programs.

³ The 2016 Appropriations Act authorizes the Department of Housing and Urban Development (HUD) to enter into performance agreements with respect to FY 2016 Homeless Assistance Grants. HUD is not authorized to enter into performance

agreements that will be established under the April 26, 2016 NIA. An NIA for FY 2016 pilots that may include FY 2016 Homeless Assistance Grants is expected to be issued later this year.

reminded that, to be eligible for the FY 2015 competition, applications must include some eligible FY 2015 funds from programs at ED, HHS, DOL, CNCS, and IMLS. Applicants may also include FY 2016 funds in their applications, including programs funded under DOJ's Office of Justice Programs, due to the authority in the 2016 Appropriations Act. However, if an applicant intends to use solely FY 2016 or FY 2017 funds, it is not eligible to be a FY 2015 pilot.
