

consistent application of the communications with the public rules and provide greater clarity to members and the public regarding FINRA's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change brings clarity and consistency to FINRA rules without adding any burden on firms.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6) under the Act¹³ normally does not become operative before 30 days from the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has asked the Commission to waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The proposed rule change is designed to clarify the application of FINRA Rule 2210 to debt research reports as the result of the Commission's approval of a new FINRA debt research conflict of interest rule (Rule 2242).¹⁵ A waiver of the 30-day operative delay will allow the proposed rule change to become operative on July 16, 2016, the same date on which Rule 2242 will be implemented.¹⁶ Therefore, the Commission hereby waives the 30-

day operative delay and designates the proposed rule change to be operative on July 16, 2016.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that on June 29, 2016, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Commentary .06 to Rule 6.8 to extend the time period of the SPY Pilot Program,⁴ which is currently scheduled to expire on July 12, 2016, through July 12, 2017.

This filing does not propose any substantive changes to the SPY Pilot Program. In proposing to extend the SPY Pilot Program, the Exchange reaffirms its consideration of several factors that supported the original proposal of the SPY Pilot Program, including (1) the availability of economically equivalent products and their respective position limits, (2) the liquidity of the option and the underlying security, (3) the market capitalization of the underlying security and the related index, (4) the reporting of large positions and requirements surrounding margin, and (5) the potential for market on close volatility.

In the July 2015 Extension, the Exchange stated that if it were to propose an extension, permanent approval or termination of the program, the Exchange would submit, along with any filing proposing such amendments to the program, a report providing an analysis of the SPY Pilot Program covering the period since the previous extension (the "Pilot Report"). Accordingly, the Exchange is submitting a Pilot Report detailing the Exchange's

⁴ See Securities Exchange Act Release No. 68001 (October 5, 2012), 77 FR 62303 (October 12, 2012). The SPY Pilot Program was subsequently extended. See Securities Exchange Act Release Nos. 70968 (December 3, 2013), 78 FR 73899 (December 9, 2013); 74029 (January 9, 2015), 80 FR 2161 (January 15, 2015); and 75415 (July 9, 2015), 80 FR 41541 (July 15, 2015) (the "July 2015 Extension").

experience with the SPY Pilot Program for the period covering thirteen (13) months from May 2015 to May 2016. The Pilot Report is attached as Exhibit 3 to this filing. The Exchange notes that it is unaware of any problems created by the SPY Pilot Program and does not foresee any as a result of the proposed extension. In extending the SPY Pilot Program, the Exchange states that if it were to propose another extension, permanent approval or termination of the program, the Exchange will submit another Pilot Report covering the period since the previous extension, which will be submitted at least 30 days before the end of the proposed extension. If the SPY Pilot Program is not extended or adopted on a permanent basis by July 12, 2017, the position limits for SPY would revert to limits in effect at the commencement of the pilot program. The proposed extension will allow the Exchange and the Commission additional time to further evaluate the SPY Pilot Program and its effect on the market.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that extending the SPY Pilot Program promotes just and equitable principles of trade by permitting market participants, including market makers, institutional investors and retail investors, to establish greater positions when pursuing their investment goals and needs.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any aspect of competition, whether between the Exchange and its competitors, or among market participants. Instead, the proposed rule change is designed to allow the SPY Pilot Program to continue uninterrupted. Additionally, the

⁶ 15 U.S.C. 78f(b)(5).

Exchange expects all other SROs that currently have rules regarding the SPY Pilot Program to also extend the pilot program for an additional year.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.⁷

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁸ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest because it will allow the SPY Pilot Program to continue without interruption. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
