AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order revokes the withdrawal created by a Secretarial Order insofar as it affects the remaining 100 acres of land in the Gallatin National Forest reserved for use by the United States Forest Service for the Mill Ranger Station. The Forest Service determined the land is no longer needed for administrative site purposes and the revocation is needed to accommodate a pending land exchange.

The land is temporarily segregated from the United States mining laws by a pending land exchange proposal.

The area described contains 100 acres in Park County.

2. At 9 a.m. on July 13, 2016, the land described in Paragraph 1 is opened to such forms of disposition as may be made of National Forest System land, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law.

Dated: June 24, 2016.
