This rulemaking is exempted from review by the Office of Management and Budget (OMB) under Executive Order 12866.

##### *Other Laws and Executive Orders Affecting Rulemaking*

When a State submits a Plan amendment to OSMRE for review, our regulations at 30 CFR 884.14 and 884.15 require us to hold a public hearing on a Plan amendment if it changes the objectives, scope or major policies followed, or make a finding that the State provided adequate notice and opportunity for public comment. Indiana has elected to have OSMRE publish a notice in the **Federal Register** indicating receipt of the proposed amendment and soliciting comments. We will conclude our review of the proposed amendment after the close of the public comment period and determine whether the amendment should be approved, approved in part, or not approved. At that time, we will also make the determinations and certifications required by the various laws and executive orders governing the rulemaking process and include them in the final rule.

**SUPPLEMENTARY INFORMATION:**

- I. Background on the Kansas Plan
- II. Description of the Proposed Amendment
- III. Public Comment Procedures
- IV. Procedural Determinations

**I. Background on the Kansas Plan**

The Abandoned Mine Land Reclamation Program was established by Title IV of the Act, (30 U.S.C. 1201 *et seq.*) in response to concerns over extensive environmental damage caused by past coal mining activities. The program is funded by a reclamation fee collected on each ton of coal that is produced. The money collected is used to finance the reclamation of abandoned coal mines and for other authorized activities. Section 405 of the Act allows States and Indian tribes to assume exclusive responsibility for reclamation activity within the State or on Indian lands if they develop and submit to the Secretary of the Interior for approval, a program (often referred to as a Plan) for the reclamation of abandoned coal mines. On February 1, 1982, the Secretary of the Interior approved the Kansas Plan. You can find background information on the Kansas Plan, including the Secretary's findings, the disposition of comments, and the approval of the Plan in the February 1, 1982, **Federal Register** (47 FR 4513). You can find later actions concerning the Kansas AMLR Plan and amendments to the Plan at 30 CFR 916.20 and 916.25.

**II. Description of the Proposed Amendment**

By letter dated February 23, 2016 (Administrative Record No. KS-628), Kansas sent us an amendment to its AMLR Plan under SMCRA (30 U.S.C. 1201 *et seq.*) at its own initiative. Below is a summary of the changes proposed by Kansas. The full text of the Plan amendment is available for you to read at the locations listed above under **ADDRESSES**.

Kansas proposes to revise its Plan by modernizing it and encompassing the November 14, 2008, changes to the Federal regulations. The revised Plan

addresses all the Federal requirements found in 30 CFR 884.13 regarding content of proposed State reclamation plans.

**III. Public Comment Procedures**

We are seeking your comments on whether the amendment satisfies the applicable Plan approval criteria of 30 CFR 884.15. If we approve the amendment, it will become part of the State Plan.

*Electronic or Written Comments*

If you submit written comments, they should be specific, confined to issues pertinent to the proposed regulations, and explain the reason for any recommended change(s). We appreciate any and all comments, but those most useful and likely to influence decisions on the final regulations will be those that either involve personal experience or include citations to and analyses of SMCRA, its legislative history, its implementing regulations, case law, other pertinent State or Federal laws or regulations, technical literature, or other relevant publications.

We cannot ensure that comments received after the close of the comment period (see **DATES**) or sent to an address other than those listed (see **ADDRESSES**) will be included in the docket for this rulemaking and considered.

*Public Availability of Comments*

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

*Public Hearing*

If you wish to speak at the public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT** by 4:00 p.m., c.t. on July 29, 2016. If you are disabled and need reasonable accommodations to attend a public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT**. We will arrange the location and time of the hearing with those persons requesting the hearing. If no one requests an opportunity to speak, we will not hold a hearing.

To assist the transcriber and ensure an accurate record, we request, if possible, that each person who speaks at the public hearing provide us with a written copy of his or her comments. The public

hearing will continue on the specified date until everyone scheduled to speak has been given an opportunity to be heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after everyone scheduled to speak and others present in the audience who wish to speak, have been heard.

*Public Meeting*

If only one person requests an opportunity to speak, we may hold a public meeting rather than a public hearing. If you wish to meet with us to discuss the amendment, please request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings are open to the public and, if possible, we will post notices of meetings at the locations listed under **ADDRESSES**. We will make a written summary of each meeting a part of the administrative record.

**IV. Procedural Determinations**

*Executive Order 12866—Regulatory Planning and Review*

This rulemaking is exempted from review by the Office of Management and Budget (OMB) under Executive Order 12866.

*Other Laws and Executive Orders Affecting Rulemaking*

When a State submits a Plan amendment to OSMRE for review, our regulations at 30 CFR 884.14 and 884.15 require us to hold a public hearing on a Plan amendment if it changes the objectives, scope or major policies followed, or make a finding that the State provided adequate notice and opportunity for public comment. Kansas has elected to have OSMRE publish a notice in the **Federal Register** indicating receipt of the proposed amendment and soliciting comments. We will conclude our review of the proposed amendment after the close of the public comment period and determine whether the amendment should be approved, approved in part, or not approved. ### Coast Guard

#### 33 CFR Part 110

[Docket No. USCG-2014-0142]

RIN 1625-AA01

#### **Anchorage Regulations; Special Anchorage Areas, Marina del Rey Harbor, California**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Supplemental notice of proposed rulemaking; reopen comment period.

**SUMMARY:** The Coast Guard is re-opening the comment period for its supplemental notice of proposed rulemaking (SNPRM), published in May 2014. The Coast Guard is proposing to amend the shape and reduce the size of the special anchorage in Marina del Rey Harbor, California. Additionally, we propose to clarify the language in the note section of the existing regulation. Because the date of the public meeting was not published in the **Federal Register** until after the meeting was held, the Coast Guard is providing an additional opportunity for public comment.

**DATES:** Comments and related material must reach the Coast Guard on or before August 15, 2016.

**ADDRESSES:** You may submit written comments identified by docket number USCG-2014-0142 using the Federal eRulemaking Portal at <http://www.regulations.gov>.

**FOR FURTHER INFORMATION CONTACT:** If you have questions concerning the proposed rule, please call or email Lieutenant Junior Grade Colleen Patton, Waterways Management Branch, Eleventh Coast Guard District, telephone 510-437-5984, email [Colleen.M.Patton@uscg.mil](mailto:Colleen.M.Patton@uscg.mil).

#### **SUPPLEMENTARY INFORMATION:**

##### **Background and Purpose**

We published a notice of proposed rulemaking (NPRM) in the **Federal Register** on May 28, 2014 (79 FR 30509), entitled "Anchorage Regulations: Special Anchorage Areas, Marina del Rey Harbor, California." The NPRM proposed to disestablish the special

anchorage area. In response to comments received, we have issued a supplemental NPRM (81 FR 10156, February 29, 2016) to retain the special anchorage, but amend the shape and reduce the size of the anchorage to remove the anchorage area from a location where it could endanger vessel traffic.

Because the date of the public meeting was not published in the **Federal Register** until after the meeting was held, we have concluded that additional comments would aid this rulemaking. Therefore, we are publishing this document to reopen the comment period.

You may view the SNPRM, in our online docket, in addition to supporting documents prepared by the Coast Guard and comments submitted thus far by going to <http://www.regulations.gov>. Once there, insert "USCG-2014-0142" in the "Keyword" box and click "Search."

We encourage you to participate in this rulemaking by submitting comments to the docket through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

##### **Public Meeting**

We do not now plan to hold another public meeting, but will consider holding one in response to a request from the public. You may submit a request for a meeting either by submitting a comment to the docket or by writing to Eleventh Coast Guard District at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that a meeting would aid this rulemaking, we will hold one at a time and place announced by a later notice.

##### **Reopening the Comment Period**

The comment period for the SNPRM published in February 2016 ended April 30, 2016. In order to give the public a chance to make additional comments, the Coast Guard is reopening the comment period on our SNPRM. All comments must reach the public docket

at the address found in **ADDRESSES** on or before August 15, 2016.

Dated: June 10, 2016.

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 52

[EPA-R04-OAR-2014-0431; FRL-9948-98-Region 4]

#### **Air Plan Approval/Disapproval; Alabama; Infrastructure Requirements for the 2010 Sulfur Dioxide National Ambient Air Quality Standard**

**AGENCY:** Environmental Protection Agency.

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is proposing to approve in part and disapprove in part portions of the April 23, 2013, State Implementation Plan (SIP) submission, submitted by the State of Alabama, through the Alabama Department of Environmental Management (ADEM), for inclusion into the Alabama SIP. This proposal pertains to the infrastructure requirements of the Clean Air Act (CAA or Act) for the 2010 1-hour sulfur dioxide (SO<sub>2</sub>) national ambient air quality standard (NAAQS). The CAA requires that each state adopt and submit a SIP for the implementation, maintenance and enforcement of each NAAQS promulgated by EPA, which is commonly referred to as an "infrastructure" SIP. ADEM certified that the Alabama SIP contains provisions that ensure the 2010 1-hour SO<sub>2</sub> NAAQS is implemented, enforced, and maintained in Alabama. With the exception of provisions respecting state boards, which EPA is proposing to disapprove, and interstate transport, which EPA is not proposing any action at this time, EPA is proposing to determine that portions of Alabama's infrastructure SIP submission provided to EPA on April 23, 2013, satisfy the required infrastructure elements for the 2010 1-hour SO<sub>2</sub> NAAQS.

**DATES:** Written comments must be received on or before August 15, 2016.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-R04-OAR-2014-0431 at <http://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be
