D. Federalism and Indian Tribal
Governments
A rule has implications for federalism
under E.O. 13132, Federalism, if it has
a substantial direct effect on the States,
on the relationship between the national
government and the States, or on the
distribution of power and
responsibilities among the various
levels of government. We have analyzed
this rule under that Order and have
determined that it is consistent with the
fundamental federalism principles and
preemption requirements described in
E.O. 13132.

Also, this rule does not have tribal
implications under E.O. 13175,
Consultation and Coordination with
Indian Tribal Governments, because it
does not have a substantial direct effect
on one or more Indian tribes, on the
relationship between the Federal
Government and Indian tribes, or on the
distribution of power and
responsibilities between the Federal
Government and Indian tribes. If you
believe this rule has implications for
federalism for Indian tribes, please
contact the person listed in the FOR
FURTHER INFORMATION CONTACT
section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act
of 1995 (2 U.S.C. 1531–1538) requires
Federal agencies to assess the effects
of their discretionary regulatory actions. In
particular, the Act addresses actions
that may result in the expenditure by a
State, local, or tribal government, in the
aggregate, or by the private sector of
$100,000,000 (adjusted for inflation) or
more in any one year. Though this rule
will not result in such an expenditure,
we do discuss the effects of this rule
elsewhere in this preamble.

F. Environment
We have analyzed this rule under
Department of Homeland Security
Management Directive 023–01 and
Commandant Instruction M16475.ID,
which guide the Coast Guard in
complying with the National
Environmental Policy Act of 1969 (42
U.S.C. 4321–4370f), and have
determined that this action is one of a
category of actions that do not
individually or cumulatively have a
significant effect on the human
environment. This rule involves a safety
zone lasting less than 6 hours that will
prohibit entry within a small area on
Lake Erie. It is categorically excluded
from further review under paragraph
34(g) of Figure 2–1 of the Commandant
Instruction. An environmental analysis
checklist supporting this determination
and a Categorical Exclusion
Determination are available in the
docket where indicated under
ADRESSES. We seek any comments or
information that may lead to the
discovery of a significant environmental
impact from this rule.

Amendment rights of protesters.
Protesters are asked to contact the
