SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78295; File No. SR-ISE-2016-16]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the SPY Pilot Program

July 12, 2016.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 7, 2016, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The ISE proposes to amend its rules to extend the pilot program that

eliminated position and exercise limits for physically-settled options on the SPDR S&P ETF Trust ("SPY") ("SPY Pilot Program"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Supplementary Material .01 to Rule 412 and Supplementary Material .01 to Rule 414 to extend the duration of the SPY Pilot Program through July 12, 2017. This filing does not propose any substantive changes to the SPY Pilot Program. In proposing to extend the SPY Pilot Program, the Exchange reaffirms its consideration of several factors that supported the original proposal of the SPY Pilot Program, including (1) the liquidity of the option and the underlying security, (2) the market capitalization of the underlying security and the related index, (3) the reporting of large positions and requirements surrounding margin, and (4) financial requirements imposed by ISE and the Commission.

With this proposed extension to the SPY Pilot Program, the Exchange has submitted a report to the Commission reflecting the trading of standardized SPY options without position limits from January through May 2016. The report was prepared in the manner specified in the filing extending the SPY Pilot Program to the current pilot end date of July 12, 2016. The Exchange notes that it is unaware of any problems created by the SPY Pilot Program and does not foresee any as a result of the proposed extension. The proposed extension will allow the Exchange and the Commission to further evaluate the

SPY Pilot Program and the effect it has on the market.

The Exchange represents that, should the Exchange propose to extend the pilot program, adopt on a permanent basis the pilot program or terminate the pilot program, it will submit a new pilot report at least thirty (30) days before the end of the extended SPY Pilot Program, which will cover the extended pilot period. The Pilot Report will detail the size and different types of strategies employed with respect to positions established as a result of the elimination of position limits in SPY. In addition, the Pilot Report will note whether any problems resulted due to the no limit approach and any other information that may be useful in evaluating the effectiveness of the SPY Pilot Program. The Pilot Report will compare the impact of the SPY Pilot Program, if any, on the volumes of SPY options and the volatility in the price of the underlying SPY shares, particularly at expiration. In preparing the report the Exchange will utilize various data elements such as volume and open interest. In addition the Exchange will make available to Commission staff data elements relating to the effectiveness of the SPY Pilot Program.

Conditional on the findings in the Pilot Report, the Exchange will file with the Commission a proposal to extend the pilot program, adopt the pilot program on a permanent basis or terminate the pilot. If the SPY Pilot Program is not extended or adopted on a permanent basis by the expiration of the extended pilot, the position limits for SPY would revert to limits that were in effect prior to the commencement of the SPY Pilot Program.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of section 6(b) of the Act.³ In particular, the proposal is consistent with section 6(b)(5) of the Act,⁴ because it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that extending the SPY Pilot Program promotes just and equitable principles of trade by permitting market participants,

including market makers, institutional investors and retail investors, to establish greater positions when pursuing their investment goals and needs. The Exchange also believes that economically equivalent products should be treated in an equivalent manner so as to avoid regulatory arbitrage, especially with respect to position limits. Treating SPY and SPX options differently by virtue of imposing different position limits is inconsistent with the notion of promoting just and equitable principles of trade and removing impediments to perfect the mechanisms of a free and open market. At the same time, the Exchange believes that the elimination of position limits for SPY options would not increase market volatility or facilitate the ability to manipulate the market.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposal is consistent with section 6(b)(8) of the Act⁵ in that it does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any aspect of competition, whether between the Exchange and its competitors, or among market participants. Instead the proposed rule change is designed to allow the SPY Pilot Program to continue as all other self-regulatory organizations currently participating in the SPY Pilot Program are expected to extend it for an additional year.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section

19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.⁶

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁷ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁸ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest because it will allow the SPY Pilot Program to continue uninterrupted. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-ISE-2016-16 on the subject line.

⁶ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

⁷ 17 CFR 240.19b-4(f)(6).

⁸ 17 CFR 240.19b-4(f)(6)(iii).

⁹ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78300; File No. 4-701]

Self-Regulatory Organizations; Investors Exchange LLC; Notice of Filing of Proposed Minor Rule Violation Plan

July 12, 2016.

Pursuant to Section 19(d)(1) of the Securities Exchange Act of 1934

(“Act”),¹ and Rule 19d-1(c)(2) thereunder,² notice is hereby given that on July 11, 2016, Investors' Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed minor rule violation plan (“MRVP”) with sanctions not exceeding \$2,500 which would not be subject to the provisions of Rule 19d-1(c)(1) of the Act³ requiring that a self-regulatory organization (“SRO”) promptly file notice with the Commission of any final disciplinary action taken with respect to any person or organization.⁴ In accordance with Rule 19d-1(c)(2) under the Act,⁵ the Exchange proposed to designate certain specified rule violations as minor rule violations, and requested that it be relieved of the prompt reporting requirements regarding such violations, provided it gives notice of such violations to the Commission on a quarterly basis.

The Exchange proposes to include in its MRVP the procedures included in Exchange Rule 9.216(b) (“Procedure for Violation Under Plan Pursuant to Exchange Act Rule 19d-1(c)(2)”) and violations to be included in Exchange Rule 9.218 (“Violations Appropriate for Disposition Under Plan Pursuant to Exchange Act Rule 19d-1(c)(2)”).⁶ According to the Exchange's MRVP, under Rule 9.216(b), the Exchange may impose a fine (not to exceed \$2,500) and/or a censure on any Member or associated person with respect to any rule listed in IEX Rule 9.218. If the Financial Industry Regulatory Authority (“FINRA”) Department of Enforcement

² 17 CFR 240.19d-1(c)(2).

³ 17 CFR 240.19d-1(c)(1).

⁴ The Commission adopted amendments to paragraph (c) of Rule 19d-1 to allow SROs to submit for Commission approval plans for the abbreviated reporting of minor disciplinary infractions. See Securities Exchange Act Release No. 21013 (June 1, 1984), 49 FR 23828 (June 8, 1984). Any disciplinary action taken by an SRO against any person for violation of a rule of the SRO which has been designated as a minor rule violation pursuant to such a plan filed with and declared effective by the Commission is not considered “final” for purposes of Section 19(d)(1) of the Act if the sanction imposed consists of a fine not exceeding \$2,500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies.

⁵ 17 CFR 240.19d-1(c)(2).

⁶ The Exchange received its grant of registration on June 17, 2016, which included approving the rules that govern the Exchange. See Securities Exchange Act Release No. 78101 (June 17, 2016), 81 FR 41141 (June 23, 2016) (File No. 10-222). The Exchange anticipates, upon effectiveness of its MRVP, to file a rule proposal pursuant to Section 19(b)(1) of the Act, and Rule 19b-4 thereunder, to amend Rule 9.218 to specify the violations to be subject to the MRVP. Exhibit A includes the entirety of Rule 9.216(b) and anticipated changes to Rule 9.218.

or the Department of Market Regulation, on behalf of the Exchange, has reason to believe a violation has occurred and if the Member or associated person does not dispute the violation, the Department of Enforcement or the Department of Market Regulation may prepare and request that the Member or associated person execute a minor rule violation plan letter accepting a finding of violation, consenting to the imposition of sanctions, and agreeing to waive such Member's or associated person's right to a hearing before a Hearing Panel or, if applicable, an Extended Hearing Panel, and any right of appeal to the IEX Appeals Committee, the Board, the SEC, and the courts, or to otherwise challenge the validity of the letter, if the letter is accepted. The letter shall describe the act or practice engaged in or omitted, the rule, regulation, or statutory provision violated, and the sanction or sanctions to be imposed. Unless the letter states otherwise, the effective date of any sanction(s) imposed will be a date to be determined by IEX Regulation staff. In the event the letter is not accepted by the Member or associated person, or is rejected by the Office of Disciplinary Affairs, the matter can proceed in accordance with the Exchange's disciplinary rules already approved by the Commission, which include hearing rights for formal disciplinary proceedings.⁷

The Exchange proposes that, as set forth in Exchange Rule 9.218, violations of the following rules would be appropriate for disposition under the MRVP: Rule 2.160(p)—Continuing Education Requirements; Rule 4.511 (General Requirements related to books and records requirements); Rule 4.540 (Furnishing of records); Rule 5.110 (Supervision); Rule 8.220 (Automated submission of trading data requested); Rule 11.151(a)(1) (Market Maker two-sided quotation requirement); Rule 11.290 (Short sales); Rule 11.310 (Locking or crossing quotations in NMS stocks); and Rule 11.420 (Order audit trail system requirements).

Upon the Commission's declaration of effectiveness of the MRVP, the Exchange will provide to the Commission a quarterly report for any actions taken on minor rule violations under the MRVP. The quarterly report will include: The Exchange's internal file number for the case, the name of the individual and/or organization, the nature of the violation, the specific rule provision violated, the sanction imposed, the number of times the rule violation occurred, and the date of the disposition.

⁷ See, Chapter 9 generally.
