SUMMARY: The Department of Commerce (the Department) has completed its administrative review of the countervailing duty (CVD) order on crystalline silicon photovoltaic cells, whether or not assembled into modules (solar cells), from the People's Republic of China (the PRC) for the period of review (POR) covering January 1, 2013, through December 31, 2013. We provided interested parties with an opportunity to comment on the *Preliminary Results*. The final net subsidy rates are listed below in the section entitled, "Final Results of the Review."

Withdrawals of certain requests for review were timely filed and, as a result, we rescinded this administrative review with respect to certain companies, pursuant to 19 CFR 351.213(d)(1), and proceeded with the review of JA Solar, Changzhou Trina Solar Energy Co., Ltd. (Trina), and Wuxi Suntech Power Co., Ltd. (Suntech).²
