SUPPLEMENTARY INFORMATION: The current fee structure (\$3.00/continuous query enrollment, \$3.00/one-time query, and \$5.00/self-query) was announced in the **Federal Register** on April 18, 2014 (79 FR 75), and became effective on October 1, 2014. One-time queries, continuous query enrollments, and self-queries are submitted and query responses are received through the NPDB's secure Web site. The NPDB is authorized by the Health Care Quality Improvement Act of 1986 (the Act), Title IV of Public Law 99-660, as amended (42 U.S.C. 11101 *et seq.*). Further, two additional statutes expanded the scope of the NPDB—Section 1921 of the Social Security Act, as amended (42 U.S.C. 1396r-2) and Section 1128E of the Social Security Act, as amended (42 U.S.C. 1320a-7e). Information collected under the Section 1128E authority was consolidated within the NPDB pursuant to Section 6403 of the Affordable Care Act, Public Law 111-148; this consolidation became effective on May 6, 2013.

42 U.S.C. 11137(b)(4), 42 U.S.C. 1396r-2(e), and 42 U.S.C. 1320a-7e(d) authorize the establishment of fees for the costs of processing requests for disclosure of such information. Final regulations at 45 CFR part 60 set forth the criteria and procedures for information to be reported to and disclosed by the NPDB. In determining any changes in the amount of user fees, the Department uses the criteria set forth in section 60.19(b) of the regulations. Section 60.19(b) states:

“The amount of each fee will be determined based on the following criteria:

(1) Direct and indirect personnel costs, including salaries and fringe benefits such as medical insurance and retirement,

(2) Physical overhead, consulting, and other indirect costs (including materials and supplies, utilities, insurance, travel, and rent and depreciation on land, buildings, and equipment),

(3) Agency management and supervisory costs,

(4) Costs of enforcement, research, and establishment of regulations and guidance,

(5) Use of electronic data processing equipment to collect and maintain

information—the actual cost of the service, including computer search time, runs and printouts, and

(6) Any other direct or indirect costs related to the provision of services.”

The Department will continue to review the user fees periodically as required by Office of Management and Budget Circular Number A-25 and will revise fees as necessary. Any future changes in user fees and their effective dates will be announced in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

ACTPCMD provides advice and recommendations to the Secretary of the U.S. Department of Health and Human Services (Secretary) and ranking members of the U.S. Senate Committee on Health, Education, Labor and Pensions, and the U.S. House of Representatives Committee on Energy and Commerce on matters concerning policy, program development, and other matters of significance concerning the activities under Sections 747 and 748, Part C of Title VII of the PHS Act, as amended. Meetings are held twice a year.

Specifically, HRSA is requesting nominations for voting members of ACTPCMD representing: Family medicine, general internal medicine, general pediatrics, physician assistant, general dentistry, pediatric dentistry, public health dentistry, and dental hygiene programs. Among these nominations, residents and/or fellows from these programs are encouraged to apply. In making such appointments, the Secretary will ensure a fair balance between the health professions, a broad geographic of representation of members, and a balance between urban and rural members. Members will be appointed based on their competence, interest, and knowledge of the mission of the profession involved. The Secretary will also ensure the adequate representation of women and minorities.

The Department of Health and Human Services (HHS) will consider nominations of all qualified individuals with the areas of subject matter expertise noted above. Individuals may nominate themselves or other individuals, and professional associations and organizations may nominate one or more qualified persons for membership. Nominations shall state that the nominee is willing to serve as a member of ACTPCMD and appears to have no conflict of interest that would preclude ACTPCMD membership. Potential candidates will be asked to provide detailed information concerning financial interests, consultancies, research grants, and/or contracts that might be affected by recommendations of ACTPCMD to permit evaluation of possible sources of conflicts of interest.

A nomination package should include the following information for each nominee:

(1) A letter of nomination from an employer, a colleague, or a professional organization stating the name, affiliation, and contact information for

the nominee, the basis for the nomination (*i.e.*, what specific attributes, perspectives, and/or skills does the individual possess that would benefit the workings of ACTPCMD, and the nominee's field(s) of expertise);

(2) A letter of self-interest stating the reasons the nominee would like to serve on ACTPCMD;

(3) A biographical sketch of the nominee and a copy of his/her curriculum vitae; and

(4) The name, address, daytime telephone number, and email address at which the nominator can be contacted.

Nominations will be considered as vacancies occur on ACTPCMD. Nominations should be updated and resubmitted every 3 years to continue to be considered for committee vacancies.

HHS strives to ensure that the membership of HHS federal advisory committees is balanced in terms of points of view represented and the committee's function. The Department encourages nominations of qualified candidates from all groups and locations. Appointment to ACTPCMD shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, disability, and cultural, religious, or socioeconomic status.

Director, Division of the Executive Secretariat.
