RIN 3052-AD17

FCA Organization; Updates and Technical Corrections**AGENCY:** Farm Credit Administration.**ACTION:** Final rule.

SUMMARY: The Farm Credit Administration (FCA or Agency) issues a final rule amending its regulations to reflect changes in the Agency's organizational structure and correct the zip code for the field office located in Irving, TX.

DATES: This regulation will become effective no earlier than 30 days after publication in the **Federal Register** during which either one or both Houses of Congress are in session. We will publish a notice of the effective date in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Mike Wilson, Policy Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4124, TTY (703) 883-4434; or Autumn Agans, Attorney-Advisor, Office of General Counsel, Farm Credit Administration, McLean, Virginia 22102-5090, (703) 883-4020, TTY (703) 883-4020.

SUPPLEMENTARY INFORMATION:**I. Objectives**

The objective of this final rule is to reflect changes to the FCA's organizational structure and correct the zip code for the field office located in Irving, TX. In addition, references in our regulations to various FCA offices, which have changed, have been revised. We also are re-ordering the list of FCA offices into a more logical progression that is consistent with FCA's organizational chart.

II. Overview

On April 27, 2016, the FCA Board approved an organizational chart that separated the unrelated functions of the Office of Management Services (OMS) into the Office of Agency Services (OAS) and the Office of the Chief Financial Officer (OCFO). This change will allow the Directors of the new offices to better focus on the core functions and duties of the offices.

III. Organizational Structure

The Freedom of Information Act, 5 U.S.C. 552, requires, in part, that each Federal agency publish in the **Federal Register**, for the guidance of the public, a description of its organization

structure. Accordingly, we revise our regulations by:

(1) In § 600.2, changing the zip code for the Irving, TX field office from 75602-3957 to 75062-3906;

(2) In § 600.4,

(a) Including the Office of the Chief Financial Officer in FCA's organization structure;

(b) Including the Office of Agency Services in FCA's organizational structure;

(c) Removing the Office of Management Services from the FCA's organizational structure; and

(d) Re-ordering the list of FCA offices into a more logical progression that is consistent with FCA's organizational chart.

(3) In §§ 602.8, 603.340, and 606.670, changing the Office of Management Services to the Office of Agency Services, and corresponding office name abbreviations, where appropriate;

(4) In § 602.25, removing "Regulation and Policy Division" and changing the Office of Policy and Analysis to the Office of Regulatory Policy.

IV. Certain Findings

We have determined that the amendments involve Agency management and personnel and other minor technical changes. Therefore, the amendments do not constitute a rulemaking under the Administrative Procedure Act (APA), 5 U.S.C. 551, 553(a)(2). Under the APA, the public may participate in the promulgation of rules that have a substantial impact on the public. The amendments to our regulations relate to Agency management and personnel and a minor technical change only and have no direct impact on the public and, therefore, do not require public participation.

Even if these amendments were a rulemaking under 5 U.S.C. 551, 553(a)(2) of the APA, we have determined that notice and public comment are unnecessary and contrary to the public interest. Under 5 U.S.C. 553(b)(A) and (B) of the APA, an agency may publish regulations in final form when they involve matters of agency organization or where the agency for good cause finds that notice and public comment are impracticable, unnecessary, or contrary to the public interest. As discussed above, these amendments result from recent office reorganizations. Because the amendments will provide accurate and current information on the organization of the FCA and update the citation to the Act, it would be contrary to the public interest to delay amending the regulations.

V. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), FCA hereby certifies that the final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the Farm Credit System (System), considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not "small entities" as defined in the Regulatory Flexibility Act.
