Office of the Secretary

[FR Doc. No. DHS–2016–0048]

AGENCY: Department of Homeland Security, Privacy Office.

ACTION: Notice of Privacy Act system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of Homeland Security (DHS) proposes to update an existing systems of records titled, “DHS/U.S. Customs and Border Protection (CBP)–001 Import Information System (IIS) System of Records” (August 17, 2015, 80 FR 49256). This system of records will continue to permit DHS/CBP to collect and maintain records on all commercial goods imported into the United States, as well as information pertaining to the carrier, broker, importer, and other persons associated with the manifest, import, or commercial entry transactions for the goods.

DHS/CBP is updating this system of records notice to provide notice that IIS records may be stored on both DHS unclassified and classified networks to allow for analysis and vetting consistent with existing DHS/CBP authorities and purposes and this published notice. Furthermore, this notice includes non-substantive changes to simplify the formatting and text of the previously published notice.

This system of records notice was previously published in the Federal
