

docket number, FHWA–2016–0002, in the keyword box, and click “Search.” Next, click the “Open Docket Folder” button and choose the document to review. If you do not have access to the Internet, you may view the docket online by visiting the Docket Management Facility in Room W12–140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., E.T., Monday through Friday, except Federal holidays.

Privacy Act

In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its rulemaking process. The DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at www.dot.gov/privacy.

IV. Future Committee Meetings and Rulemaking Calendar

Decisions with respect to future meetings will be made at the first meeting and from time to time thereafter. Notices of all future meetings will be shown on the FHWA TTP Web site at <https://fhlh.fhwa.dot.gov/programs/ttp/> at least 15 calendar days prior to each meeting. The FHWA has developed a provisional schedule of committee meetings, running through June 2017, which we plan to finalize with the committee during the first meeting. The FHWA intends to complete the negotiated rulemaking process for the proposed rule within the first half of 2017 and to publish a NPRM, followed by a Final Rule in 2018. After the conclusion of the committee meetings, the Agency will draft the NPRM, which is expected to take approximately 6–8 weeks, depending on the degree of consensus on the issues and the supporting data developed by the committee. The NPRM will then be reviewed by DOT’s Office of the Secretary and the Office of Management and Budget (OMB). The Agency will then publish the NPRM for public comment. Following the close of the public comment period the Agency will evaluate and respond to public comments as it drafts a final rule, which will also undergo Departmental and OMB review. Although the time needed to address public comments to an NPRM that has been developed through a successful negotiated rulemaking process is typically shorter than for rules conducted through the ordinary informal notice and comment process, the Agency must nonetheless address

substantive public comments in the final rule, in accordance with the Administrative Procedure Act. While the Agency cannot state with certainty the time required to complete the negotiated rulemaking process and notice and comment rulemaking, the target date for publication of an NPRM is September 2017.

Issued on: July 21, 2016.

Gregory G. Nadeau,
Administrator, Federal Highway
Administration.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket Number USCG–2016–0500]

RIN 1625–AA08

Special Local Regulation; Little Annessex River and Somers Cove, Crisfield, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish special local regulations for certain waters of the Little Annessex River and Somers Cove. This action is necessary to provide for the safety of life on these navigable waters located in Somerset County at Crisfield, MD, during an open water swim competition on September 17, 2016. This proposed rulemaking would prohibit persons and vessels from being in the regulated area unless authorized by the Captain of the Port Maryland-National Capital Region or Coast Guard Patrol Commander. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before August 26, 2016.

ADDRESSES: You may submit comments identified by docket number USCG–2016–0500 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Mr. Ronald Houck, U.S. Coast Guard Sector Maryland-National Capital Region;

telephone 410–576–2674, email Ronald.L.Houck@uscg.mil.

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background, Purpose, and Legal Basis

On June 1, 2016, OC Tri-Running Sports of Bishopville, MD notified the Coast Guard that it will be conducting the swim portion of the Crisfield CrabMan Triathlon from 6:30 a.m. until 9 a.m. on September 17, 2016. The open water swim competition is to be held along a designated 0.93-mile (1500 meters/1.5k) linear course that starts from a stationary barge located in the Little Annessex River in approximate position latitude 37°58’15” N., longitude 075°52’09” W., and finishes at the Somers Cove Marina in Somers Cove at Crisfield, MD. Prior to the swim start, participants will be transported from the Crisfield City Dock to the barge on board a ferry. Hazards from the swim competition include approximately 200 participants operating within and adjacent to designated navigation channels and interfering with vessels intending to operate within those channels, as well as operating within the narrow entrance to Somers Cove. The COTP Maryland-National Capital Region has determined that potential hazards associated with the swim competition would be a safety concern for anyone intending to operate within certain waters of the Little Annessex River and Somers Cove at Crisfield, MD.

The purpose of this rulemaking is to protect event participants, spectators and transiting vessels on certain waters of the Little Annessex River and Somers Cove before, during, and after the scheduled event.

The Coast Guard proposes this rulemaking under authority in 33 U.S.C. 1233, which authorize the Coast Guard to establish and define special local regulations.

III. Discussion of Proposed Rule

The COTP Maryland-National Capital Region proposes to establish special local regulations from 5:30 a.m. until 10 a.m. on September 17, 2016, and if necessary due to inclement weather, from 5:30 a.m. until 10 a.m. on September 18, 2016. The regulated area would cover all navigable waters of the Little Annessex River and Somers

Cove, from shoreline to shoreline, bounded to the north by a line drawn from the eastern shoreline of Janes Island at latitude 37°58'39" N., longitude 075°52'05" W. and thence eastward to the Crisfield City Dock at latitude 37°58'39" N., longitude 075°51'50" W., and bounded to the south by a line drawn from Long Point on Janes Island at latitude 37°58'12" N., longitude 075°52'42" W. and thence eastward to Hammock Point at latitude 37°57'58" N., longitude 075°51'58" W., located at Crisfield, MD. The duration of the regulated area is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled 6:30 a.m. until 9 a.m. swim competition. Except for Crisfield CrabMan Triathlon participants, no vessel or person would be permitted to enter the regulated area without obtaining permission from the COTP Maryland-National Capital Region or a designated representative. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders (Executive Orders) related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This NPRM has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget.

This regulatory action determination is based on the size and duration of the regulated area, which would impact a small designated area of the Little Annessex River and Somers Cove for 4.5 hours. The Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the status of the regulated area. Moreover, the rule would allow vessels to seek permission to enter the regulated area, and vessel traffic would be able to safely transit the regulated area once the Coast

Guard Patrol Commander deems it safe to do so.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the regulated area may be small entities, for the reasons stated in section IV.A above this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that

Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United States that could negatively impact the safety of waterway users and shore side activities in the event area lasting for 4.5 hours. The category of water activities includes but is not limited to sail boat regattas, boat parades, power boat racing, swimming events, crew racing, canoe and sail board racing. Normally such actions are categorically excluded from further review under paragraph 34(h) of Figure 2–1 of Commandant Instruction M16475.ID. A preliminary environmental analysis checklist and

Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that Web site's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add § 100.35–T05–0500 to read as follows:

§ 100.501–T05–0500 Special Local Regulation; Little Annessex River and Somers Cove, Crisfield, MD.

(a) *Regulated area.* The following location is a regulated area: All navigable waters of the Little Annessex River and Somers Cove, from shoreline to shoreline, bounded to the north by a line drawn from the eastern shoreline of Janes Island at latitude 37°58'39" N., longitude 075°52'05" W. and thence eastward to the Crisfield City Dock at latitude 37°58'39" N., longitude 075°51'50" W., and bounded to the south by a line drawn from Long Point on Janes Island at latitude 37°58'12" N., longitude 075°52'42" W. and thence eastward to Hammock Point at latitude 37°57'58" N., longitude 075°51'58" W., located at Crisfield, MD. All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) *Captain of the Port Maryland-National Capital Region* means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region or any Coast Guard commissioned, warrant or petty officer who has been authorized by the Captain of the Port to act on his behalf.

(2) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector Maryland-National Capital Region.

(3) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(4) *Participant* means all persons and vessels participating in the swim portion of the Crisfield CrabMan Triathlon event under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector Maryland-National Capital Region.

(c) *Special local regulations:* (1) The Coast Guard Patrol Commander may forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official

patrol, a vessel or person in the regulated area shall immediately comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both. The Coast Guard Patrol Commander may terminate the event, or the operation of any support vessel participating in the event, at any time it is deemed necessary for the protection of life or property.

(2) Except for participants and vessels already at berth, mooring, or anchor, all persons and vessels within the regulated area at the time it is implemented are to depart the regulated area.

(3) Persons desiring to transit the regulated area must first obtain authorization from the Captain of the Port Maryland-National Capital Region or Coast Guard Patrol Commander. Prior to the enforcement period, to seek permission to transit the area, the Captain of the Port Maryland-National Capital Region can be contacted at telephone number 410–576–2693 or on Marine Band Radio, VHF–FM channel 16 (156.8 MHz). During the enforcement period, to seek permission to transit the area, the Coast Guard Patrol Commander can be contacted on Marine Band Radio, VHF–FM channel 16 (156.8 MHz) for direction.

(4) The Coast Guard may be assisted in the patrol and enforcement of the regulated area by other Federal, State, and local agencies. The Coast Guard Patrol Commander and official patrol vessels enforcing this regulated area can be contacted on marine band radio VHF–FM channel 16 (156.8 MHz) and channel 22A (157.1 MHz).

(5) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF–FM marine band radio announcing specific event date and times.

(d) *Enforcement period.* This section will be enforced from 5:30 a.m. until 10 a.m. on September 17, 2016, and if necessary due to inclement weather, from 5:30 a.m. until 10 a.m. on September 18, 2016.

Dated: July 5, 2016.

Lonnie P. Harrison, Jr.,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.
