

Register on December 18, 1996 and five of the 30 slots were filled through the Jobs-Plus Community Response Initiative.

Additional MTW 'slots' have been added by Congress over time through appropriations statutes. Two PHAs were specifically named and authorized to join the demonstration in 1999 under the VA, HUD, and Independent Agencies Appropriations Act of 1999 (Pub. L. 105–276, 112 Stat. 2461), dated October 21, 1998. A Public and Indian Housing Notice (PIH Notice 2000–52) issued December 13, 2000, allowed up to an additional 6 PHAs to participate in the MTW demonstration. The Consolidated Appropriations Act, 2008 (Pub. L. 110–161, 121 Stat. 1844) added four named PHAs to the Moving to Work demonstration program.

Subsequent Appropriations Acts for 2009, 2010, and 2011 authorized a total of 12 additional MTW slots. As part of HUD's 2009 budget appropriation (Section 236, title II, division I of the Omnibus Appropriations Act, 2009, enacted March 11, 2009), Congress directed HUD to add three agencies to the MTW program. As part of HUD's 2010 budget appropriation (Section 232, title II, division A of the Consolidated Appropriations Act, 2010, enacted December 16, 2009), Congress authorized HUD to add three agencies to the MTW demonstration. In 2011, Congress again authorized HUD to add three MTW PHAs pursuant to the 2010 Congressional requirements.

A Standard MTW Agreement (Standard Agreement) was developed in 2007, and was transmitted to the existing MTW agencies in January, 2008. As additional MTW PHAs were selected they too were provided with the Standard Agreement. All 39 existing MTW agencies operate under this agreement, which authorizes participation in the demonstration through each agency's 2018 fiscal year. HUD is currently working on an extension of the Standard Agreement to 2028, as required by the Consolidated Appropriations Act, 2016.

Under the Standard Agreement, all MTW sites are authorized to combine their operating, modernization and housing choice voucher funding into a single "block" grant. Because they cannot conform with the requirement for the regular PHA annual and 5 year plans, and because HUD requires different information from these PHAs for program oversight purposes, these sites are required to submit an annual MTW Plan and an annual MTW Report in accordance with their MTW Agreement, in lieu of the regular PHA annual and 5 year plans.

Through the MTW Annual Plan and Report, each MTW site will inform HUD, its residents and the public of the PHA's mission for serving the needs of low-income and very low-income families, and the PHA's strategy for addressing those needs. The MTW Annual Plan, like the Annual PHA Plan, provides an easily identifiable source by which residents, participants in tenant-based programs, and other members of the public may locate policies, rules, and requirements concerning the PHA's operations, programs, and services. Revisions are being made to this 50900 form to improve its usability and to address minor issues identified by HUD and the MTW PHAs over time. The form is also being updated also to implement provisions of the Department's affirmatively furthering fair housing (AFFH) rule (24 CFR 5.150–5.180).

Respondents: The respondents to this PRA are the 39 Public Housing Authorities (PHAs) that currently have the MTW designation.

Estimated Number of Respondents: 39.

Estimated Number of Responses: 468.

There are 7 sections associated with this Form requiring response. All 7 sections are completed with the first annual submission (Plan), and 5 of the 7 are completed with the second annual submission (Report). This results in a total of 12 total responses per PHA, or 468 total responses per year across all 39 affected PHAs.

Frequency of Response: MTW PHAs complete requirements associated with this Form twice per year (Plan and Report). In the Plan, the PHA completes all 7 sections of the Form. In the Report, the PHA completes only 5 of the 7 sections of the Form.

Average Hours per Response: The estimated average burden is 40.5 hours per response (or 81 total hours per year).

Total Estimated Burdens: 4680 hours.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number). HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-

800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

SUPPLEMENTARY INFORMATION:**I. Abstract**

The Indian Self-Determination and
Education Assistance Act (ISDEAA)
authorizes and directs the Bureau of
Indian Affairs (BIA) to contract or
compact with and fund Indian Tribes
and Tribal organizations that choose to
take over the operation of programs,
services, functions and activities
(PSFAs) that would otherwise be

operated by the BIA. These PSFAs
include programs such as law
enforcement, social services, and tribal
priority allocation programs. The
contracts and compacts provide the
funding that the BIA would have
otherwise used for its direct operation of
the programs had they not been
contracted or compacted by the Tribe, as
authorized by 25 U.S.C. 450 *et. seq.*

Congressional appropriations are
divided among BIA and Tribes and
Tribal organizations to pay for both the
BIA's direct operation of programs and
for the operation of programs by Tribes
and Tribal organizations through Self-
Determination contracts and compacts.
The regulations implementing ISDEAA
are at 25 CFR 900.

The data is maintained by BIA's
Office of Indian Services, Division of
Self-Determination. The burden hours
for this continued collection of
information are reflected in the
Estimated Total Annual Hour Burden in
this notice.

II. Request for Comments

The Bureau of Indian Affairs (BIA)
requests your comments on this
collection concerning: (a) The necessity
of this information collection for the
proper performance of the functions of
the agency, including whether the
information will have practical utility;
(b) The accuracy of the agency's
estimate of the burden (hours and cost)
of the collection of information,
including the validity of the
methodology and assumptions used; (c)
Ways we could enhance the quality,
utility, and clarity of the information to
be collected; and (d) Ways we could
minimize the burden of the collection of
the information on the respondents.

Please note that an agency may not
conduct or sponsor and an individual
need not respond to, a collection of
information unless it displays a valid
OMB Control Number.

It is our policy to make all comments
