Through the MTW Annual Plan and Report, each MTW site will inform HUD, its residents and the public of the PHA’s mission for serving the needs of low-income and very low-income families, and the PHA’s strategy for addressing those needs. The MTW Annual Plan, like the Annual PHA Plan, provides an easily identifiable source by which residents, participants in tenant-based programs, and other members of the public may locate policies, rules, and requirements concerning the PHA’s operations, programs, and services. Revisions are being made to this 50900 form to improve its usability and to address minor issues identified by HUD and the MTW PHAs over time. The form is also being updated also to implement provisions of the Department’s affirmatively furthering fair housing (AFFH) rule (24 CFR 5.150–5.180).

**Respondents:** The respondents to this PRA are the 39 Public Housing Authorities (PHAs) that currently have the MTW designation.

**Estimated Number of Respondents:** 39.

**Estimated Number of Responses:** 468.

There are 7 sections associated with this Form requiring response. All 7 sections are completed with the first annual submission (Plan), and 5 of the 7 are completed with the second annual submission (Report). This results in a total of 12 total responses per PHA, or 468 total responses per year across all 39 affected PHAs.

**Frequency of Response:** MTW PHAs complete requirements associated with this Form twice per year (Plan and Report). In the Plan, the PHA completes all 7 sections of the Form. In the Report, the PHA completes only 5 of the 7 sections of the Form.

**Average Hours per Response:** The estimated average burden is 40.5 hours per response (or 81 total hours per year).

**Total Estimated Burdens:** 4680 hours.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in National Coalition for the Homeless v. Veterans Administration, No. 88–2503–OG (D.D.C.).
Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B–17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)–443–2265 (This is not a toll-free number). HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD in the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Indian Self-Determination and Education Assistance Act (ISDEEA) authorizes and directs the Bureau of Indian Affairs (BIA) to contract or compact with and fund Indian Tribes and Tribal organizations that choose to take over the operation of programs, services, functions and activities (PSFAs) that would otherwise be operated by the BIA. These PSFAs include programs such as law enforcement, social services, and tribal priority allocation programs. The contracts and compacts provide the funding that the BIA would have otherwise used for its direct operation of the programs had they not been contracted or compacted by the Tribe, as authorized by 25 U.S.C. 450 et seq.

Congressional appropriations are divided among BIA and Tribes and Tribal organizations to pay for both the BIA’s direct operation of programs and for the operation of programs by Tribes and Tribal organizations through Self-Determination contracts and compacts. The regulations implementing ISDEEA are at 25 CFR 900.

The data is maintained by BIA’s Office of Indian Services, Division of Self-Determination. The burden hours for this continued collection of information are reflected in the Estimated Total Annual Hour Burden in this notice.
