The upcoming opening will represent commercial air tour operator interests. The selected member will serve a 3-year term.

DATES: Persons interested in applying for the NPOAG opening representing air tour operator interests need to apply by August 26, 2016.

FOR FURTHER INFORMATION CONTACT: Keith Lusk, Special Programs Staff, Federal Aviation Administration, Western-Pacific Region Headquarters, P.O. Box 92007, Los Angeles, CA 90009-2007, telephone: (310) 725-3808, email: Keith.Lusk@faa.gov.

SUPPLEMENTARY INFORMATION:**Background**

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106-181. The Act required the establishment of the advisory group within 1 year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides "advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands."

Membership

The NPOAG ARC is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American interests. Current members of the NPOAG ARC are as follows:

The current NPOAG consists of Melissa Rudinger representing general aviation; Alan Stephen, Mark Francis, and Matthew Zuccaro representing commercial air tour operators; Rob Smith, Nicholas Miller, Mark Belles, and Dick Hingson representing environmental interests; and Leigh Kuwanwisiwma and Martin Begaye representing Native American interests. Mr. Zuccaro's 3-year membership expires on September 9, 2016.

Selection

In order to retain balance within the NPOAG ARC, the FAA and NPS are seeking candidates interested in filling Mr. Zuccaro's soon to be expiring seat. The open seat to be filled will represent air tour operator interests. The FAA and NPS invite persons interested in representing air tour operator interests on the ARC to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the ARC must be made to Mr. Lusk in writing and postmarked or emailed on or before August 26, 2016. The request should indicate whether or not you are a member of an association or firm related to the air tour industry. The request should also state what expertise you would bring to the NPOAG ARC as related to issues and concerns with aircraft flights over national parks. The term of service for NPOAG ARC members is 3 years. Current members may re-apply for another term.

On June 18, 2010, President Obama signed a Presidential Memorandum directing agencies in the Executive Branch not to appoint or re-appoint federally registered lobbyists to advisory committees and other boards and commissions. Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require the prospective candidate to certify that

they are not a federally registered lobbyist.

Issued in Hawthorne, CA, on July 19, 2016.

Keith Lusk,

Program Manager, Special Programs Staff, Western-Pacific Region.
