**Certain In-Shell (Raw) Pistachios From  
the Islamic Republic of Iran: Final  
Results of the Expedited Sunset  
Review of the Antidumping Duty Order**

**AGENCY:** Enforcement and Compliance,  
International Trade Administration,  
Department of Commerce.

**DATES:** Effective August 5, 2016.

**SUMMARY:** As a result of this sunset  
review, the Department of Commerce  
(the Department) finds that revocation  
of the antidumping duty order on  
certain in-shell (raw) pistachios  
(pistachios) from the Islamic Republic of  
(Iran) would be likely to lead to  
continuation or recurrence of dumping  
at the rates identified in the “Final  
Results of Review” section of this  
notice.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department published the  
antidumping duty order on pistachios  
from Iran on July 17, 1986.<sup>1</sup> On April 1,  
2016, pursuant to section 751(c) of the  
Tariff Act of 1930, as amended (the Act),  
the Department initiated a sunset review  
of the antidumping duty order on  
pistachios from Iran.<sup>2</sup> On April 11,  
2016, and April 13, 2016, the  
Department received notices of intent to  
participate from Wonderful Pistachios &  
Almonds LLC (WP&A) and American  
Pistachio Growers (APG), respectively  
(collectively, the Domestic Interested  
Parties), within the deadline specified  
in 19 CFR 351.218(d)(1)(i). The  
Domestic Interested Parties are  
manufacturers of a domestic like  
product in the United States and,  
accordingly, are domestic interested  
parties pursuant to section 771(9)(C) of  
the Act.

On April 29, 2016, and May 2, 2016,  
the Department received an adequate  
substantive response to the notice of  
initiation from WP&A and APG,  
respectively, within the 30-day deadline  
specified in 19 CFR 351.218(d)(3)(i).  
The Department did not receive any  
timely filed responses from the  
respondent interested parties, *i.e.*,  
pistachio producers and exporters from  
Iran. The Department did receive an  
untimely substantive response from  
Tehran Negah Nima, trading as Nima  
Trading Company (Nima). As this  
response was untimely, the Department  
rejected the submission.<sup>3</sup> On the basis of  
the notices of intent to participate and  
adequate substantive responses filed by  
the Domestic Interested Parties and the  
inadequate response from any  
respondent interested party, the  
Department conducted an expedited  
sunset review of the order pursuant to

section 751(c)(3)(B) of the Act and 19  
CFR 351.218(e)(1)(ii)(C).

**Scope of the Order**

The products covered by the order are  
raw,<sup>4</sup> in-shell pistachio nuts from which  
the hulls have been removed, leaving  
the inner hard shells, and edible meats  
from Iran. This merchandise is provided  
for in subheading 0802.51.00.00 of the  
Harmonized Tariff Schedule of the  
United States (HTSUS). Although the  
HTSUS subheadings are provided for  
convenience and customs purposes, the  
written description of the scope of this  
order is dispositive.

**Analysis of Comments Received**

The issues discussed in the Decision  
Memorandum<sup>5</sup> are the likelihood of  
continuation or recurrence of dumping  
and the magnitude of the margins of  
dumping likely to prevail if this order  
was revoked. Parties can find a  
complete discussion of all issues raised  
in this review, and the corresponding  
recommendations, in the Decision  
Memorandum which is on file  
electronically via Enforcement and  
Compliance’s Antidumping and  
Countervailing Duty Centralized  
Electronic Service System (ACCESS).  
ACCESS is available to registered users  
at <http://access.trade.gov> and is  
available to all parties in the Central  
Records Unit in room B8024 of the main  
Commerce building. In addition, a  
complete version of the Decision  
Memorandum can be accessed directly  
on the Internet at [http://trade.gov/  
enforcement/](http://trade.gov/enforcement/). The signed Decision  
Memorandum and electronic versions of  
the Decision Memorandum are identical  
in content.

**Final Results of Review**

Pursuant to sections 752(c)(1) and (3)  
of the Act, we determine that revocation  
of the antidumping duty order of  
pistachios from Iran would be likely to  
lead to continuation or recurrence of  
dumping at weighted average margins  
up to the following:

Exporter/producer	Margin (percent)
Rafsanjan Pistachios Cooperative .....	241.14
Tehran Negah Nima Trading Company, Inc./Maghsoudi Farms .....	241.14
Tehran Negah Nima Trading Company, Inc./Razi Domghan Agricultural and Animal Husbandry Company .....	241.14
All-Others Rate .....	241.14

**Phosphor Copper From the Republic of Korea: Postponement of Preliminary Determination of Antidumping Duty Investigation**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Effective August 5, 2016.

**FOR FURTHER INFORMATION CONTACT:** Cindy Robinson at (202) 482-3797, AD/CVD Operations, Enforcement and Compliance, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:****Background**

On April 5, 2016, the Department of Commerce (the Department) initiated an antidumping duty investigation of imports of phosphor copper from the Republic of Korea.<sup>1</sup> The notice of initiation stated that, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(b)(1), we would issue our preliminary determination no later than 140 days after the date of initiation, unless postponed. Currently, the

preliminary determination is due no later than August 16, 2016.

**Postponement of Preliminary Determination**

Sections 733(c)(1)(B)(i) and (ii) of the Act permit the Department to postpone the time limit for the preliminary determination if it concludes that the parties concerned are cooperating and determines that the case is extraordinarily complicated by reason of the number and complexity of the transactions to be investigated or adjustments to be considered, the novelty of the issues presented, or the number of firms whose activities must be investigated, and additional time is necessary to make the preliminary determination. Under this section of the Act, the Department may postpone the preliminary determination until no later than 190 days after the date on which the Department initiated the investigation.

The Department determines that the parties involved in this phosphor copper investigation are cooperating, and that the investigation is extraordinarily complicated. Additional time is required to analyze the questionnaire responses and issue appropriate requests for clarification and additional information.

Therefore, in accordance with section 733(c)(1)(B) of the Act and 19 CFR 351.205(f)(1), the Department is postponing the time period for the preliminary determination of this investigation by 50 days, to October 5, 2016. Pursuant to section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: July 29, 2016.
