Drawn Stainless Steel Sinks From the People's Republic of China; Final Results of Antidumping Duty Administrative Review; Final Determination of No Shipments; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 12, 2016, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on drawn stainless steel sinks from the People's Republic of China. We invited interested parties to comment but received no comments or requests for a hearing. Therefore, the final results remain unchanged from the preliminary results.

DATES: Effective August 15, 2016.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Brandon Custard, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1766, or (202) 482-1823, respectively.

SUPPLEMENTARY INFORMATION: On May 12, 2016, the Department published the *Preliminary Results*.¹ The POR is April

1, 2014, through March 31, 2015. We invited interested parties to comment on the *Preliminary Results*. We received no comments or requests for a hearing. The Department conducted this administrative review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The products covered by the order include drawn stainless steel sinks. Imports of subject merchandise are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheadings 7324.10.000 and 7324.10.0010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise within the scope is dispositive.²

Final Results of Review and Final Determination of No Shipments

As noted above, the Department received no comments concerning the *Preliminary Results* on the record of this segment of the proceeding. As there are no changes from, or comments upon, the *Preliminary Results*, the Department finds that there is no reason to modify its analysis. Thus, we continue to find that sales of subject merchandise by Guangdong Dongyuan Kitchenware Industrial Co., Ltd. (Dongyuan) were made at less than normal value (NV) during the POR. We also continue to grant separate rates to Feidong Import and Export Co., Ltd. and Ningbo Afa Kitchen and Bath Co., Ltd. Further, we continue to find that B&R Industries Limited, Zhongshan Newecan Enterprise Development Corporation, and Zhongshan Superte Kitchenware Co., Ltd./Superte invoiced as Foshan Zhaoshun Trade Co., Ltd., Shunde Foodstuffs J&C Industries Enterprise Limited, Foshan Shunde MingHao Kitchen Utensils Co., Ltd., Franke Asia Sourcing Ltd., Grand Hill Work Company, Hangzhou Heng's Industries Co., Ltd., Jiangmen Hongmao Trading Co.; Ltd., Jiangxi Zoje Kitchen & Bath Industry Co., Ltd., Ningbo Oulin Kitchen Utensils Co., Ltd. and Shunde Foodstuffs Import & Export Company

2015, 81 FR 29528 (May 12, 2016) (*Preliminary Results*).

² For a complete description of the scope of the order, see the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, entitled, "Decision Memorandum for the Preliminary Results of the 2014-2015 Administrative Review: Drawn Stainless Steel Sinks from the People's Republic of China," (*Preliminary Decision Memorandum*), dated May 5, 2016, which can be accessed directly at <http://enforcement.trade.gov/fjn/>.

Limited of Guangdong are part of the PRC-wide entity and will receive the rate of that entity. Finally, we continue to find that Kehuaxing Industrial Ltd. (Kehuaxing) made no shipments of subject merchandise during the POR. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this segment of the proceeding, see the *Preliminary Results* and the accompanying Preliminary Decision Memorandum. The final weighted-average dumping margins for the period April 1, 2014, through March 31, 2015 are as follows:

Producer/exporter	Weighted-average dumping margin (percent)
Guangdong Dongyuan Kitchenware Industrial Co., Ltd	1.65
Ningbo Afa Kitchen and Bath Co., Ltd*	1.65
Feidong Import and Export Co., Ltd*	1.65

* These companies demonstrated that they qualified for a separate rate in this administrative review. As we did in the *Preliminary Results*, and consistent with the Department's practice, we continue to assign them the rate calculated for the mandatory respondent in this review.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), the Department determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For Dongyuan, which has a weighted-average dumping margin which is not zero or *de minimis* (i.e., less than 0.5 percent), we calculated importer- (or customer-) specific per-unit duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's (or customer's) examined sales to the total sales quantity associated with those sales, in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the respondents which were not selected for individual examination in this administrative review and which
