DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2016-0068]

Notice of Application for Approval of Discontinuance or Modification of a Railroad Signal System

In accordance with part 235 of Title 49 Code of Federal Regulations (CFR) and 49 U.S.C. 20502(a), this document provides the public notice that by a document dated June 29, 2016, the Union Pacific Railroad (UP) petitioned the Federal Railroad Administration (FRA) seeking approval for the discontinuance or modification of a signal system. FRA assigned the petition Docket Number FRA-2016-0068.

Applicant: Union Pacific Railroad, Mr. Kevin D. Hicks, AVP Engineering-Design, 1400 Douglas Street, MS 0910, Omaha, NE 68179.

UP seeks approval of the modification of Control Point (CP) B002 on the Omaha Subdivision, at Milepost (MP) 2.00, in the State of Iowa, by dividing it into two CPs: CP B902 and CP B002.

The reason given for the proposed modification is to accommodate a U.S. Department of Transportation (DOT) project to widen Interstate 29 as well as to facilitate yard operations and expedite train movements in the area. All existing signals at the present CP B002 will be removed and replaced with the proposed layout at the new CPs B002 and B902. Existing switches will be relocated to accommodate DOT's Interstate 29 widening project. An interface house will be installed at CP B003 to replace the line circuits currently in service across the Missouri River Bridge with coded track, and the signal aspect progression will be upgraded to four aspects from the current three. This modification will follow the completion of Phase 1 of the project, which was assigned Docket Number FRA-2015-0051, and was approved on October 5, 2015.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket

Operations Facility is open between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.
