

within the rules for the Exchange to prescribe by Regulatory Circular which system or software will be used for the submission of annual reports, the Exchange believes it will be able to adjust, as necessary, the required manner of reporting by Members, particularly to the extent that new or enhanced software or systems are developed for this purpose.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change requires all Members that are required to submit annual reports to submit those reports electronically in the same manner.

The Exchange believes the proposed rule change will not impose any burden on intra-market competition because it applies equally to all Exchange Members with reporting obligations.

The Exchange does not believe that the proposed rule changes will impose any burden on intermarket competition as the proposed rule change is for regulatory purposes to enhance the process for Member's submission and the Exchange's collection, tracking, consolidation, and review of annual reports.

The Exchange believes that the proposed change is not controversial and does not impose any significant burden on the Exchange's Members. All Exchange Members have access to the FINRA Firm Gateway system and there is no additional financial cost to file the required reports electronically through this system. Additionally, the majority of Members of the Exchange are also Members of FINRA and use the FINRA Firm Gateway system on a regular basis. Therefore, the Exchange believes that any burden that the proposed rule change may impose on Members will be minimal. The Exchange believes any burden is outweighed by the benefits of electronic filing, which include a more efficient and effective process for the Exchange (through its regulatory services provider) to collect, track, and consolidate annual reports. The Exchange believes that an electronic filing process is in its, and its Members', best interest.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)⁸ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. Extension:

Rule 17a-4, SEC File No. 270-198, OMB Control No. 3235-0279.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rule 17a-4 (17 CFR 240.17a-4), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a-4 requires exchange members, brokers and dealers ("broker-

⁹ 17 CFR 200.30-3(a)(12).

dealers”) to preserve for prescribed periods of time certain records required to be made by Rule 17a-3. In addition, Rule 17a-4 requires the preservation of records required to be made by other Commission rules and other kinds of records which firms make or receive in the ordinary course of business. These include, but are not limited to, bank statements, cancelled checks, bills receivable and payable, originals of communications, and descriptions of various transactions. Rule 17a-4 also permits broker-dealers to employ, under certain conditions, electronic storage media to maintain records required to be maintained under Rules 17a-3 and 17a-4.

There are approximately 4,104 active, registered broker-dealers. The staff estimates that the average amount of time necessary to preserve the books and records as required by Rule 17a-4 is 254 hours per broker-dealer per year. In addition, the Commission is moving into this information collection the annual burden hours for paragraph (b)(11) of Rule 17a-4, which requires any broker-dealer that sponsors an internal broker-dealer system to maintain certain records relating to such system for at least three years. The Commission estimates that paragraph (b)(11) of Rule 17a-4 imposes an annual burden of 3 hours per year to maintain the requisite records. The Commission estimates that there are approximately 150 internal broker-dealer systems, resulting in an annual recordkeeping burden of 450 hours. Therefore, the Commission estimates that compliance with Rule 17a-4 requires 1,042,866 hours each year ((4,104 broker-dealers × 254 hours) + (150 broker-dealers × 3 hours)). These burdens are recordkeeping burdens.

The staff believes that compliance personnel would be charged with ensuring compliance with Commission regulation, including Rule 17a-4. The staff estimates that the hourly salary of a Compliance Clerk is \$65 per hour.¹ Based upon these numbers, the total internal cost of compliance for 4,104 respondents is the dollar cost of approximately \$67.8 million (1,042,416 yearly hours × \$65). The total burden hour decrease of 242,062 is due to a decrease in the number of respondents from 5,057 to 4,104.

Based on conversations with members of the securities industry and the Commission’s experience in the area,

the staff estimates that the average broker-dealer spends approximately \$5,000 each year to store documents required to be retained under Rule 17a-4. Costs include the cost of physical space, computer hardware and software, etc., which vary widely depending on the size of the broker-dealer and the type of storage media employed. The Commission estimates that the annual reporting and recordkeeping cost burden is \$20,520,000. This cost is calculated by the number of active, registered broker-dealers multiplied by the reporting and recordkeeping cost for each respondent (4,104 active, registered broker-dealers × \$5,000).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: August 19, 2016.

Secretary.
