Abstract: The collection of information is needed to help determine which swaps should be subject to the trade execution requirement under Section 2(h)(8) of the Commodity Exchange Act pursuant to Section 723 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. A swap execution facility ("SEF") or designated contract market ("DCM") that submits a determination that a swap is available to trade must address at least one of several factors to demonstrate that the swap is suitable for trading pursuant to the trade execution requirement. Burden Statement: The Commission estimates the burden of reviewing the prescribed factors and data to make a determination for this collection to be 16 hours per response. The total cost

burden per rule submission filing is estimated to be \$958.16. The Commission based its calculation on (1) an hourly wage rate of \$48.14 for a Compliance Specialist to perform the filing over 8 hours;¹ an hourly wage rate of \$71.63 for one economist to analyze trading data in the process over 8 hours.²

Respondents/Affected Entities: SEFs, DCMs.
