

workgroup meeting is to hear from local officials on issues of concern related to LGAC's Charge (included below).

The Workgroup will consider the following:

- *Advancing Next Generation Safe Drinking Water Act Implementation:* Identify key opportunities for federal, state, tribal and local government to work together to implementation of Safe Drinking Water Act regulations and programs, including ways to increase communication and public awareness and accountability.

- *Addressing Environmental Justice and Equity in Infrastructure Funding:* Identify ways in which federal, state, tribal and local governments, and utilities can work together to ensure that drinking water infrastructure challenges of low-income environmental justice communities and small systems are being appropriately prioritized and addressed, including through increased information, sharing and replicating best practices, and building community capacity.

- *Strengthening Protections against Lead in Drinking Water:* Identify opportunities to coordinate and collaborate on implementing the current Lead and Copper Rule, particularly in environmental justice communities and expand and strengthen opportunities for stakeholder engagement to support the development of a revised rule.

- *Emerging and Unregulated Contaminant Strategies:* Develop and implement improved approaches through which EPA, state, tribal and local governments, utilities and other stakeholders can work together to prioritize and address the challenges posed by emerging and unregulated contaminants such as algal toxins and perfluorinated compounds (PFCs) and increasing public awareness, especially in vulnerable populations.

- The Workgroup is also interested in information on how public and private sector partnerships have advanced economic solutions; where source water protection saved taxpayers' dollars; and where communities have created jobs and produced public savings by ensuring clean and healthy water infrastructure.

This is an open meeting and state, local and tribal officials are invited to participate. The Workgroup will hear comments from state, local and tribal officials and the public between 4:45 p.m.–5:15 p.m. on Wednesday, September 7, 2016 and Wednesday, September 21, 2016. Individuals or organizations wishing to address the workgroup will be allowed a maximum of five minutes to present their point of view. Also, written comments are

encouraged and may be submitted electronically to Eargle.Frances@epa.gov.

Please contact the Designated Federal Officer (DFO) at the number listed below to schedule comment time. Time will be allotted on a first-come first-serve basis. If you are interested in participating in this or subsequent meetings of the workgroup, details will be posted when they are available at: <https://www.epa.gov/ocir/local-government-advisory-committee-lgac>.
