OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. USTR-2016-2013]

2016 Special 301 Out-of-Cycle Review of Notorious Markets: Request for Comments

AGENCY: Office of the United States Trade Representative.

ACTION: Request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) requests written comments identifying Internet and physical markets based outside the United States that should be included in the 2016 Notorious Markets List (List). In 2010, USTR began publishing the Notorious Markets List separately from the annual Special 301 Report as an "Out-of-Cycle Review." The List identifies online and physical marketplaces that reportedly engage in and facilitate substantial copyright piracy and trademark counterfeiting.

DATES: Written comments are due by 11:59 p.m. (EDT) on October 7, 2016. Rebuttal or other information to be considered during the review is due by 11:59 p.m. (EDT) on October 21, 2016.

ADDRESSES: You should submit written comments through the Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments in section II below. For alternatives to online submissions, please contact USTR at Special301@ustr.eop.gov before transmitting a comment and in advance of the relevant deadline.

FOR FURTHER INFORMATION CONTACT: Christine Peterson, Director for Intellectual Property and Innovation, Office of the United States Trade Representative, at special301@ustr.eop.gov. You can find information about the Special 301 Review, including the Notorious Markets List, at www.ustr.gov.

SUPPLEMENTARY INFORMATION:**I. Background**

The United States is concerned with trademark counterfeiting and copyright piracy on a commercial scale because they cause significant financial losses for rights holders, legitimate businesses and governments, undermine critical U.S. comparative advantages in innovation and creativity to the detriment of American workers, and potentially pose significant risks to consumer health and safety as well as privacy and security. The Notorious Markets List identifies select online and physical marketplaces that reportedly engage in or facilitate substantial copyright piracy and trademark counterfeiting.

Beginning in 2006, USTR identified notorious markets in the annual Special 301 Report. In 2010, pursuant to the Administration's 2010 Joint Strategic Plan on Intellectual Property Enforcement, USTR announced that it would begin publishing the List as an Out-of-Cycle Review, separately from the annual Special 301 Report. USTR published the first List in February 2011. USTR develops the annual List based upon public comments solicited through the **Federal Register** and in consultation with other Federal agencies that serve on the Special 301 Subcommittee of the Trade Policy Staff Committee.

The United States encourages owners and operators of markets reportedly involved in piracy and counterfeiting to adopt business models that rely on the licensed distribution of legitimate content and products and to work with rights holders and enforcement officials
