Foreign Agricultural Service

Adjustment of Appendices for Dairy Tariff-Rate Import Quota Licensing for the 2016 Tariff-Rate Quota Year

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

SUMMARY: This notice announces the revised appendices for Dairy Tariff-Rate Import Quota Licensing for the 2016 quota year reflecting the cumulative annual transfers from Appendix 1 to Appendix 2 for certain dairy product

import licenses permanently surrendered by licensees or revoked by the Licensing Authority.

DATES: Effective August 26, 2016.

FOR FURTHER INFORMATION CONTACT: Abdelsalam El-Farra, Dairy Import Licensing Program, Import Policies and Export Reporting Division, U.S. Department of Agriculture, at (202) 720-9439; or by email at: abdelsalam.el-farra@fas.usda.gov.

SUPPLEMENTARY INFORMATION: The Foreign Agricultural Service, under a delegation of authority from the Secretary of Agriculture, administers the Dairy Tariff-Rate Import Quota Licensing Regulation codified at 7 CFR 6.20-6.36 that provides for the issuance of licenses to import certain dairy articles under tariff-rate quotas (TRQs) as set forth in the Harmonized Tariff Schedule of the United States. These dairy articles may only be entered into the United States at the low-tier tariff by or for the account of a person or firm to whom such licenses have been issued and only in accordance with the terms and conditions of the regulation.

Licenses are issued on a calendar year basis, and each license authorizes the

license holder to import a specified quantity and type of dairy article from a specified country of origin. The Import Policies and Export Reporting Division, Foreign Agricultural Service, U.S. Department of Agriculture, issues these licenses and, in conjunction with U.S. Customs and Border Protection, U.S. Department of Homeland Security, monitors their use.

The regulation at 7 CFR 6.34(a) states: "Whenever a historical license (Appendix 1) is not issued to an applicant pursuant to the provisions of § 6.23, is permanently surrendered or is revoked by the Licensing Authority, the amount of such license will be transferred to Appendix 2." Section 6.34(b) provides that the cumulative annual transfers will be published in the **Federal Register**. Accordingly, this document sets forth the revised Appendices for the 2016 tariff-rate quota year.

Issued at Washington, DC, the 13th day of July, 2016.

Ronald Lord,
Licensing Authority.

Forest Service

Notice of New Fee Site; Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447)

AGENCY: Willamette National Forest, USDA Forest Service

ACTION: Notice of New Fee Site.

SUMMARY: The Willamette National Forest is proposing recreation fees at six recreation sites. The Willamette National Forest proposes a \$5/day fee for the use of facilities at three day use sites: Hackleman Old Growth Grove, Hardesty Trailhead, and McCredie Picnic Area. Two campgrounds have proposed fees: Alder Springs Campground at \$10/night and Indigo Springs Campground at \$12/night. For overnight use of a backcountry shelter, the Willamette National Forest proposes a nightly fee of \$80 during the summer season and a per person fee of \$7/night during the winter season. Funds from recreation fees will be used for the continued operation and maintenance of these sites and associated trails. These fees are only proposed and will be

determined upon further analysis and public comment.

DATES: Send any comments about these fee proposals by December 1, 2016 so comments can be compiled, analyzed and shared with a Recreation Resource Advisory Committee. Fees may be implemented May, 2017.

ADDRESSES: Tracy Beck, Forest Supervisor, Willamette National Forest, 3106 Pierce Parkway, Suite D, Springfield, OR, 97477

FOR FURTHER INFORMATION CONTACT: Matt Peterson, Recreation Program Manager, 541-225-6421 or email WillametteRecFeeComments@fs.fed.us

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established.

This new fee proposal will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

Mountain View Shelter will be available for overnight rental. The proposed fee differs by season: a nightly fee of \$80.00 during the summer season and a per person fee of \$7.00/night during the winter season. Backcountry shelter rentals offer a unique experience and are a popular offering on National Forests. The shelter is not currently

available for use during the spring, summer and fall season. In winter, the shelter is currently first come-first served yet often fills to capacity, causing visitors to ski or trek back to their vehicles. Reservations would enable visitors to plan ahead and know whether they will have a space in the shelter. The cabin offers views and a place for Nordic skiers to stay overnight or warm up during the day. Activities nearby include winter skiing, hiking and hunting. Access to the site in the winter is only by skis and by vehicle during the rest of the year. Fees will be used to maintain and operate the shelter.

Indigo Springs Campground is currently a free site, with three campsites. Each campsite has a fire ring, picnic table, with garbage service and a vault restroom on-site. This campground is surrounded by a stand of old growth Douglas-fir and is close to the Middle Fork Trail. The springs for which the camp was named is nearby and can be enjoyed by walking an easy, 500 foot round-trip loop trail. Interpretive signs explain the role of the nearby historic Oregon Central Military Wagon Road and the role of the bull trout in the regional watershed ecosystem. The proposed fee is \$12.00/night a campsite, and \$6.00 per each additional vehicle per campsite.
