During the course of their terms, Committee members are expected to attend all meetings and to contribute their time and expertise to Committee projects. It is the potential candidate's responsibility to identify possible conflict(s) of interest that might affect their objectivity and recommendations submitted to the Secretary. including name, mailing address, telephone numbers, and email address; (3) the nominee's curriculum vitae or resume, and (4) a summary of the nominee's experience and qualification relative to the professional qualifications criteria listed above. Self-nominations are welcome. Third-party nominations must indicate that the nominee has been contacted and is willing to serve.

Membership Terms: Individuals selected for appointment to the Committee shall be invited to serve a three-year term. Committee members will receive a stipend for attending Committee meetings, including per diem and reimbursement for travel expenses incurred.

The Department makes every effort to ensure that the membership of its Federal advisory committees is fairly balanced in terms of points of view represented and the committee's function. Every effort is made to ensure that a broad representation of geographic areas, males and females, racial and ethnic minority groups, and the disabled are given consideration for membership. Appointment to this Committee shall be made without discrimination because of a person's race, color, religion, sex (including gender identity, transgender status, sexual orientation, and pregnancy), national origin, age, disability, or genetic information. Nominations must state that the nominee is willing to serve as a member of the Committee and appears to have no conflict of interest that would preclude membership. An ethics review is conducted for each selected nominee.

Authority: The Committee was established in accordance with 5 U.S.C. 2.
