

impact EFH, have a minimal and only temporary effect on EFH. There is no new information that has become available since Amendment 1 to the 2006 Consolidated HMS FMP that would alter this conclusion. As a result, NMFS is not proposing any measures or alternatives to minimize fishing impacts on these habitats.

However, although adverse effects are not anticipated, NMFS has provided an example list of conservation recommendations in Chapter 5 of Draft Amendment 10 that could address shark bottom longline fishing impacts; these recommendations could apply to all areas designated as either EFH or HAPCs. This section is included to satisfy the EFH provisions concerning mandatory contents of FMPs, specifically the Conservation and Enhancement requirements at § 600.815(a)(6). This amendment similarly evaluates the potential adverse effects of fishing with all HMS gear types on designated and proposed EFH and HAPCs in Chapter 5 and provides conservation recommendations, as necessary.

Opportunities for Public Comment

NMFS will conduct public hearing conference calls and webinars to allow for opportunities for interested members of the public from all geographic areas to submit verbal comments on Draft Amendment 10. These will be announced at a later date and in the **Federal Register**. NMFS has also requested time on the meeting agendas of the relevant Regional Fishery Management Councils (*i.e.*, the Caribbean, Gulf of Mexico, South Atlantic, Mid-Atlantic, and New England Fishery Management Councils) to present information on Draft Amendment 10. Information on the date and time of those presentations will be provided on the appropriate council agendas.

The webinar presentation and conference call transcripts will be made available at this Web site: <http://www.nmfs.noaa.gov/sfa/hms/documents/fmp/am10/index.html>. Transcripts from Council meetings may be provided by the Councils on respective Web sites.

Public Hearing Code of Conduct

The public is reminded that NMFS expects participants at public hearings and council meetings to conduct themselves appropriately. At the beginning of each meeting, a representative of NMFS will explain the ground rules (*e.g.*, all comments are to be directed to the agency on the proposed action; attendees will be

called to give their comments in the order in which they registered to speak; each attendee will have an equal amount of time to speak; attendees may not interrupt one another; etc.). NMFS representative(s) will structure the meeting so that all attending members of the public will be able to comment, if they so choose, regardless of the controversial nature of the subject(s). Attendees are expected to respect the ground rules, and those that do not may be asked to leave the meeting.
