The request for a Land Release of a parcel located at 1612 Coates Avenue, Holbrook, NY, may be reviewed in person at the New York Airports District Office located at 159-30 Rockaway Blvd., Suite 111, Jamaica, NY 11434.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request for a Land Release of a 6.1 acre airport owned parcel located at 1612 Coates Avenue, NY, under the provisions of 49 U.S.C. 47125(a). Based on a full review, the FAA determined that the Land Release request for the parcel in question Avenue parcel, submitted by the Town of Islip on behalf of the Long Island MacArthur Airport, met the procedural requirements.

The Town of Islip requested a Land Release of an airport owned parcel, not contiguous to the airport and located at 1612 Coates Avenue, Holbrook, NY. The airport has determined that the parcel is not suitable for aeronautical activity and it is no longer needed for aeronautical operations. The revenue generated by the sale will be used for airport purposes.

The property has been under Airport ownership since 1989 and it is no longer needed for aviation purposes. There exists private sector interest to develop the property in accordance with current zoning. Such development would be consistent with the surrounding area and interest in residential development.

Transferring the property to the private sector and allowing private sector investment would be of benefit to the Town of Islip, the airport, and the surrounding area by providing up to nine single family homes in a residential area with high demand. The land release would be contingent on deed restrictions for the new residential units to ensure the interest of the airport are considered with any new development consistent with Order

5190.6B Ch. 22. All proceeds generated from the sale of the property must be used exclusively by the airport in accordance with 49 U.S.C. 47107(b) and the FAA's policy on revenue use. Any person may inspect the request by appointment at the FAA office address listed above. Interested persons are invited to comment on the proposed Land Release application for an airport owned parcel. All comments will be considered by the FAA to the extent practicable.

Issued in Jamaica, New York, August 31, 2016.

Manager, New York Airports District Office.

Notice of Release From Federal Grant Assurance Obligations at Bob Hope Airport, Burbank, Los Angeles County, California

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of request to release airport land.

SUMMARY: The Federal Aviation Administration (FAA) proposes to rule and invites public comment on the application for a release of approximately 1.5 acres of airport property at Bob Hope Airport, Burbank, Los Angeles County, California, from all conditions contained in the Grant Assurances since the parcel of land is not needed for airport purposes. The property will be sold for its fair market value and the proceeds used for airport purposes. The redevelopment of the land for commercial purposes represents a compatible land use that will not interfere with the airport or its operation, thereby protecting the interests of civil aviation.

DATES: Comments must be received on or before October 13, 2016.

FOR FURTHER INFORMATION CONTACT:

Comments on the request may be mailed or delivered to the FAA at the following address: Tony Garcia, Airports Compliance Program Manager, Federal Aviation Administration, Airports Division, **Federal Register** Comment, 15000 Aviation Blvd., Lawndale, CA 90261. In addition, one copy of the comment submitted to the FAA must be mailed or delivered to Mr. John T. Hatanaka, Senior Deputy Executive Director, Burbank-Glendale-Pasadena

SUPPLEMENTARY INFORMATION: In accordance with the Wendell H. The following is a brief overview of the request:

Burbank-Glendale-Pasadena Airport Authority requested a release from the conditions contained in the Grant Assurance obligations for approximately 1.5 acres of airport land at Bob Hope Airport. The property served as a parking lot and is located outside the airport boundary on the northwest side of the airport, east of Kenwood Street, and southwest of San Fernando Boulevard. The Airport Authority requested approval to sell the small parcel because the land is not needed for airport purposes presently or in the future. The sale price will be based on its appraised market value and the sale proceeds will be used for airport purposes. The property will be developed for commercial purposes, along with privately owned property to the south, that will represent a compatible use that will not interfere with airport operations. The interests of civil aviation will be appropriately served by the release.

Issued in Hawthorne, California on September 1, 2016.
