

performed. Every effort is made to ensure that most points of view extant in the enrolled actuary profession are represented on the Advisory Committee. To that end, the Joint Board seeks to appoint several members from each of the main practice areas of the enrolled actuary profession, including small employer plans, large employer plans, and multiemployer plans. In addition, to ensure diversity of points of view, the Joint Board limits the number of members affiliated with any one actuarial organization or employed with any one firm.

Membership normally will be limited to actuaries currently enrolled by the Joint Board. However, individuals having academic or other special qualifications of particular value for the Advisory Committee's work also will be considered for membership. Federally-registered lobbyists and individuals affiliated with Joint Board enrollment examination preparation courses are not eligible to serve on the Advisory Committee.

5. Member Designation

Advisory Committee members are appointed as Special Government Employees (SGEs). As such, members are subject to certain ethical standards applicable to SGEs. Upon appointment, each member will be required to provide written confirmation that he/she does not have a financial interest in a Joint Board examination preparation course. In addition, each member will be required to attend annual ethics training.

6. Application Requirements

To receive consideration, an individual interested in serving on the Advisory Committee must submit (1) a signed, cover letter expressing interest in serving on the Advisory Committee and describing his/her professional qualifications, and (2) a resume and/or curriculum vitae. Applications may be submitted by regular mail, overnight and express delivery services, and email. In all cases, the cover letter must contain an original signature. Applications must be received by December 6, 2016.

Dated: September 6, 2016.

Patrick W. McDonough,

Executive Director, Joint Board for the Enrollment of Actuaries.

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. SUPPLEMENTARY INFORMATION: ETA is soliciting comments regarding a revision to the current Office of Management and Budget (OMB) clearance for a series of quick turnaround surveys in which data will be collected from State workforce agencies, local workforce investment areas, and other entities involved in employment and training and related programs. The surveys will focus on a variety of issues concerning the very broad spectrum of programs administered by ETA including but not limited to the governance, administration, funding, service design, and delivery structure of workforce programs authorized by the Workforce Innovation Opportunities Act of 2014 (WIOA) and other statutes.

ETA has a continuing need for information on the operation of all of its programs and is seeking another extension of the clearance for
