

■ 9. In § 100.135, revise paragraph (d) to read as follows:

§ 100.135 Unlawful practices in the selling, brokering, or appraising of residential real property.

* * * * *

(d) Practices which are unlawful under this section include, but are not limited to:

(1) Using an appraisal of residential real property in connection with the sale, rental, or financing of any dwelling where the person knows or reasonably should know that the appraisal improperly takes into consideration race, color, religion, sex, handicap, familial status, or national origin.

(2) Conditioning the terms of an appraisal of residential real property in connection with the sale, rental, or financing of a dwelling on a person's response to harassment because of race, color, religion, sex, handicap, familial status, or national origin.

■ 10. In § 100.400, add paragraph (c)(6) to read as follows:

§ 100.400 Prohibited interference, coercion or intimidation.

* * * * *

(c) * * *

(6) Retaliating against any person because that person reported a discriminatory housing practice to a housing provider or other authority.

■ 11. Add subpart H, consisting of § 100.600, to read as follows:

Subpart H— Quid Pro Quo and Hostile Environment Harassment

§ 100.600 Quid pro quo and hostile environment harassment.

(a) *General.* Quid pro quo and hostile environment harassment because of race, color, religion, sex, familial status, national origin or handicap may violate sections 804, 805, 806 or 818 of the Act, depending on the conduct. The same conduct may violate one or more of these provisions.

(1) *Quid pro quo harassment.* Quid pro quo harassment refers to an unwelcome request or demand to engage in conduct where submission to the request or demand, either explicitly or implicitly, is made a condition related to: The sale, rental or availability of a dwelling; the terms, conditions, or privileges of the sale or rental, or the provision of services or facilities in connection therewith; or the availability, terms, or conditions of a residential real estate-related transaction. An unwelcome request or demand may constitute quid pro quo harassment even if a person acquiesces in the unwelcome request or demand.

(2) *Hostile environment harassment.* Hostile environment harassment refers to unwelcome conduct that is sufficiently severe or pervasive as to interfere with: The availability, sale, rental, or use or enjoyment of a dwelling; the terms, conditions, or privileges of the sale or rental, or the provision or enjoyment of services or facilities in connection therewith; or the availability, terms, or conditions of a residential real estate-related transaction. Hostile environment harassment does not require a change in the economic benefits, terms, or conditions of the dwelling or housing-related services or facilities, or of the residential real-estate transaction.

(i) *Totality of the circumstances.* Whether hostile environment harassment exists depends upon the totality of the circumstances.

(A) Factors to be considered to determine whether hostile environment harassment exists include, but are not limited to, the nature of the conduct, the context in which the incident(s) occurred, the severity, scope, frequency, duration, and location of the conduct, and the relationships of the persons involved.

(B) Neither psychological nor physical harm must be demonstrated to prove that a hostile environment exists. Evidence of psychological or physical harm may, however, be relevant in determining whether a hostile environment existed and, if so, the amount of damages to which an aggrieved person may be entitled.

(C) Whether unwelcome conduct is sufficiently severe or pervasive as to create a hostile environment is evaluated from the perspective of a reasonable person in the aggrieved person's position.

(ii) *Title VII affirmative defense.* The affirmative defense to an employer's vicarious liability for hostile environment harassment by a supervisor under Title VII of the Civil Rights Act of 1964 does not apply to cases brought pursuant to the Fair Housing Act.

(b) *Type of conduct.* Harassment can be written, verbal, or other conduct, and does not require physical contact.

(c) *Number of incidents.* A single incident of harassment because of race, color, religion, sex, familial status, national origin, or handicap may constitute a discriminatory housing practice, where the incident is sufficiently severe to create a hostile environment, or evidences a quid pro quo.

Dated: August 18, 2016.

Assistant Secretary for Fair Housing and Equal Opportunity.

Special Local Regulations and Safety Zones; Recurring Marine Events and Fireworks Displays Within the Fifth Coast Guard District

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is issuing a final rule that revises the list of special local regulations and safety zones established for recurring marine events and fireworks displays that take place within the Fifth Coast Guard District area of responsibility. This rule revises the listing of events that informs the public of regularly scheduled marine parades, regattas, other organized water events, and fireworks displays that require additional safety measures provided by regulations. Under this rule, the list of recurring marine events requiring special local regulations or safety zones is updated with revisions, additional events, and removal of events that no longer take place in the Fifth Coast Guard District. When these regulations are enforced, certain restrictions are placed on marine traffic in specified areas. This rulemaking project promotes efficiency by eliminating the need to produce a separate rule for each individual recurring event, and serves to provide notice of the known recurring events requiring a special local regulation or safety zone throughout the year.

DATES: This rule is effective October 14, 2016.

II. Background Information and Regulatory History

The special local regulations listed in 33 CFR 100.501 and safety zones in 33 CFR 165.506 were last amended on April 16, 2015 (80 FR 20418). The Coast Guard published an interim final rule and request for comments on April 22, 2016 (81 FR 23605). During the comment period that ended July 21, 2016 we received one comment.

III. Legal Authority and Need for Rule

The Coast Guard issues this rulemaking under authority in 33 U.S.C. 1231; 33 U.S.C. 1233; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

The Coast Guard regularly updates special local regulations and safety zones established for recurring marine events and fireworks displays that take place either on or over the navigable waters of the United States. Under that rule, the list of recurring marine events requiring special local regulations or safety zones is updated with revisions, additional events, and removal of events that no longer take place within the Fifth Coast Guard District. The Fifth Coast Guard District area of responsibility is defined in 33 CFR 3.25.

The purpose of this rulemaking is to ensure the safety of persons, vessels and the navigable waters within close proximity to marine events and or fireworks displays before, during, and after the scheduled event. Publishing

these regulatory updates in a single rulemaking promotes administrative efficiency and reduces costs involved in producing a separate rule for each individual recurring event. This action also provides the public with notice through publication in the **Federal Register** of future recurring marine events and fireworks displays and their accompanying regulations, special local regulations and safety zones. This rule provides separate tables for each Coast Guard Sector within the Fifth Coast Guard District.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received one comment on the Interim final rule published April 22, 2016. The respondent comment addressed a concern that “Any permits for Fireworks Displays must have boundaries set no closer than 500 yards from any fuel depot, shipyard, marina, cargo facility that handles hazardous or flammable cargo or any “facility” that handles hazardous or flammable materials.” The commenter suggested that the safety zone radius should be a distance of 500 yards plus the expected radius of the “hot” area created by the fireworks display.

No changes were made to the rule based upon this comment; however the Coast Guard recognizes the importance of appropriate controls on fireworks displays that take place over and or adjacent to navigable waters of the United States. Accordingly USCG authority and oversight is based on current Federal regulations, applicable National Fire Protection Association (NFPA) codes, and lessons learned from accident report findings. We believe these recommendations provide a more thorough and nuanced safety area than a blanket radius requirement. The CG Captain of the Port (COTP) ensures safety of persons and vessels on navigable waters of the United States in close proximity to fireworks events through coordination with event

sponsor, fireworks operator, fire department, police department, Authority Having Jurisdiction (AHJ), and other appropriate entities. The definition of “Authority Having Jurisdiction (AHJ)” is in accordance with NFPA 1123 which states, “The organization, office, or individual responsible for approving equipment, materials, an installation, or a procedure.” It is incumbent upon the event sponsor and or fireworks operator to consult with AHJ regarding fireworks display boundaries for restricted areas when seeking a fireworks permit. Under this arrangement the fireworks operator should provide a copy of the fireworks permit issued by the AHJ to the COTP to confirm compliance with local government regulations, ordinances and NFPA codes. The safety guidance provided in NAVIGATION AND VESSEL INSPECTION CIRCULAR NO. 702, dated June 18, 2002 sets forth Coast Guard policy used by USCG Captains of the Port; this document may be viewed in the docket.

Special Local Regulations

This rule adds 4 new special local regulations for marine events, removes 8 regulations and revises 18 previously established regulations for marine events listed in the Table to § 100.501. Other than changes to the dates and locations of certain events, the other provisions in 33 CFR 100.501 remain unchanged.

This rule provides additional information about regulated areas and the restrictions that apply to mariners and new terms including “Race Area”, “Spectator Area” and “Buffer Zone”. The 24 hour contact phone numbers are updated for Coast Guard Sectors Delaware Bay and North Carolina.

The Coast Guard revises regulations at 33 CFR 100.501 by adding 4 new special local regulations. The special local regulations are listed in Table 1, including reference by section as printed in the Table to § 100.501.

Date(s)	Event	Regulated area
1. September—2nd, 3rd or 4th Friday, Saturday and Sunday; October—1st Friday, Saturday and Sunday.	Sunset Lake Hydrofest.	All waters of Sunset Lake, New Jersey, from shoreline to shoreline, south of latitude 38°58'32" N.
2. October—2nd Saturday and Sunday ...	The Liberty Grand Prix.	The waters of the Delaware River, adjacent to Philadelphia, PA and Camden, NJ, from shoreline to shoreline, bounded on the south by the Walt Whitman Bridge and bounded on the north by the Benjamin Franklin Bridge.
3. June—2nd, 3rd, 4th or last Saturday and Sunday or August—1st Saturday and Sunday.	Thunder on the Narrows.	All waters of Prospect Bay enclosed by the following points: Latitude 38°57'52" N., longitude 076°14'48" W., thence to latitude 38°58'02" N., longitude 076°15'05" W., thence to latitude 38°57'38" N., longitude 076°15'29" W., thence to latitude 38°57'28" N., longitude 076°15'23" W., thence to point of origin at latitude 38°57'52" N., longitude 076°14'48" W.
4. September—2nd, 3rd or 4th Friday, Saturday and Sunday. October—1st Friday, Saturday and Sunday.	Chesapeake Challenge/Solomons Offshore Grand Prix.	All waters of the Patuxent River, within boundary lines connecting the following positions; originating near north entrance of MD Route 4 bridge, latitude 38°19'45" N., longitude 076°28'06" W., thence southwest to south entrance of MD Route 4 bridge, latitude 38°19'24" N., longitude 076°28'30" W., thence south to a point near the shoreline, latitude 38°18'32" N., longitude 076°28'14" W., thence southeast to a point near the shoreline, latitude 38°17'38" N., longitude 076°27'26" W., thence northeast to latitude 38°18'00" N., longitude 076°26'41" W., thence northwest to latitude 38°18'59" N., longitude 076°27'20" W., located at Solomons, MD, thence continuing northwest and parallel to shoreline to point of origin.
5. June—3rd, 4th or last Sunday	Coastal Aquatics Swim Team Open Water Summer Shore Swim.	All waters of the Nanticoke River, including Bivalve Channel and Bivalve Harbor, bounded by a line drawn from a point on the shoreline at latitude 38°18'00" N., longitude 075°54'00" W., thence westerly to latitude 38°18'00" N., longitude 075°55'00" W., thence northerly to latitude 38°20'00" N., longitude 075°53'48" W., thence easterly to latitude 38°19'42" N., longitude 075°52'54" W.
6. June—1st Saturday and Sunday	Carolina Cup Regatta.	The specified waters of Pasquotank River near Elizabeth City, NC.
7. August—1st Friday, Saturday and Sunday.	SBIP—Fountain Powerboats Kilo Run and Super Boat Grand Prix.	The specified waters of the Pamlico River including Chocowinity Bay, NC.
8. September—3rd and or 4th or last Sunday.	Crystal Coast Grand Prix.	The specified waters of Bogue Sound, adjacent to Morehead City, NC.

This rule revises 18 preexisting special local regulations that involves change to marine event date(s) and/or coordinates. These events are listed in Table 3, with reference by section as printed in the Table to § 100.501.

Based on the nature of marine events, large number of participants and spectators, and event locations, the Coast Guard has determined that the events listed in this rule could pose a risk to participants or waterway users if normal vessel traffic were to interfere with the event. Possible hazards include risks of injury or death resulting from near or actual contact among participant vessels and spectator vessels or mariners traversing through the regulated area. In order to protect the safety of all waterway users including event participants and spectators, this rule establishes special local regulations for the time and location of each marine event.

This rule provides designated spectator areas for commercial small passenger vessels at certain marine event(s). The purpose of a commercial small passenger vessel spectator area is to ensure the safe operation of commercial vessels that carry a greater number of passengers onboard and operating within the widespread, high capacity spectator fleet at marine events. These spectator areas facilitate direct and unobstructed accesses for first responders should an emergency occur aboard one of the higher capacity commercial passenger vessels. Commercial passenger vessels holding a valid Certificate of Inspection issued

under 46 CFR 114.110, and 175.110, (subchapter K or T vessels) are eligible for access to the designated spectator area as directed by the marine event Patrol Commander.

Owners or operators of vessels that meet the requirements of subchapter K or T vessels may request access to the Severn River spectator area for the U.S. Naval Academy Blue Angels Air Show by contacting the City of Annapolis Harbormaster Office, at telephone (410) 263-7973 or email at *harbormaster@annapolis.gov*. Application must be made no later than seven days prior to the date of the event. Applicants will be notified by the Captain of the Port or representative regarding status of applications generally the Friday before the date of the event.

Owners or operators of vessels that meet the requirements of subchapter K or T vessels may request access to the Patapsco River spectator area for the Baltimore Air Show by contacting Sail Baltimore at telephone (410) 522-7300 or email at *info@sailbaltimore.org*. Application must be made no later than ten days prior to the date of the event. Applicants will be notified by the Captain of the Port or representative regarding status of applications generally the Friday before the date of the event.

This rule prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as regulated areas during the periods of enforcement unless authorized by the Captain of the Port (COTP), or designated Coast Guard Patrol Commander. The designated "Patrol Commander" includes Coast Guard commissioned, warrant, or petty officer who has been designated by the COTP to act on their behalf. On-scene Patrol Commander may be augmented by local, State or Federal officials authorized to act in support of the Coast Guard.

Safety Zones

This rule adds 4 new safety zones, and revises 22 previously established safety zones listed in the Table to § 165.506. Other than changes to the dates and locations of certain safety zones, the other provisions in 33 CFR 165.506 remain unchanged.

The Coast Guard revises the regulations at 33 CFR 165.506 by adding 4 new safety zone locations to the permanent regulations listed in this section. The new safety zones are listed in Table 4, including reference by section as printed in the Table to § 165.506.

Each year, organizations in the Fifth Coast Guard District sponsor fireworks displays in the same general location and time period. Each event uses a barge or an on-shore site near the shoreline as the fireworks launch platform. A safety zone is used to control vessel movement within a specified distance surrounding the launch platforms to ensure the safety of persons and property. Coast Guard personnel on scene may allow boaters within the safety zone if conditions permit.

The enforcement period for these safety zones is from 5:30 p.m. to 1 a.m. local time. However, vessels may enter, remain in, or transit through these safety zones during this time frame if authorized by the COTP or designated Coast Guard Patrol Commander on scene, as provided for in 33 CFR 165.23. This rule provides for the safety of life on navigable waters during the events. The regulatory text we are proposing appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the rule has not been reviewed by the Office of Management and Budget.

This regulatory action determination is based on the short amount of time

that vessels will be restricted from regulated areas, and the small size of these areas that are usually positioned away from high vessel traffic zones. Generally vessels would not be precluded from getting underway, or mooring at any piers or marinas currently located in the vicinity of the regulated areas. Advance notifications would also be made to the local maritime community by issuance of Local Notice to Mariners, Broadcast Notice to Mariners, Marine information and facsimile broadcasts so mariners can adjust their plans accordingly. Notifications to the public for most events will typically be made by local newspapers, radio and TV stations. The Coast Guard anticipates that these special local regulated areas and safety zones will only be enforced one to three times per year.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the regulated areas or safety zones may be small entities, for the reasons stated in section IV.A above this rule would not have a significant economic impact on any vessel owner or operator. However this rule will affect the following entities some of which may be small entities: The owners and operators of vessels intending to transit or anchor in these regulated areas during the times the zones are enforced.

These special local regulated areas and safety zones will not have a

significant economic impact on a substantial number of small entities for the following reasons: The Coast Guard will ensure that small entities are able to operate in the areas where events are occurring to the extent possible while ensuring the safety of event participants and spectators. The enforcement period will be short in duration and, in many of the areas, vessels can transit safely around the regulated area. Generally, blanket permission to enter, remain in, or transit through these regulated areas will be given, except during the period that the Coast Guard patrol vessel is present. Before the enforcement period, we will issue maritime advisories widely.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct

effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This rule involves implementation of regulations within 33 CFR part 100 that apply to organized marine events on the navigable waters of the United States. Some marine events by their nature may introduce potential for adverse impact on the safety or other interest of waterway users or waterfront infrastructure within or close proximity to the event area. The category of water activities includes but is not limited to sail boat regattas, boat parades, power boat racing, swimming events, crew

racing, and sail board racing. This section of the rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are not required for this section of the rule.

This rule involves implementation of regulations at 33 CFR part 165 that establish safety zones on navigable waters of the United States for fireworks events. These safety zones are enforced for the duration of fireworks display events. The fireworks are generally launched from or immediately adjacent to navigable waters of the United States. The category of activities includes fireworks launched from barges or at the shoreline that generally rely on the use of navigable waters as a safety buffer. Fireworks displays may introduce potential hazards such as accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. This section of the rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**.

■ 2. Revise section 100.501 to read as follows:

§ 100.501 Special Local Regulations; Marine Events within the Fifth Coast Guard District.

The regulations in this section apply to the marine events listed in the Table to § 100.501. These regulations will be effective annually, for the duration of each event listed in the Table to

§ 100.501. Annual notice of the exact dates and times of the effective period of the regulation with respect to each event, the geographical area, and details concerning the nature of the event and the number of participants and type(s) of vessels involved will be published in Local Notices to Mariners and via Broadcast Notice to Mariners over VHF–FM marine band radio.

(a) *Definitions.* The following definitions apply to this section:

(1) *Coast Guard Patrol Commander.* A Patrol Commander (PATCOM) is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the respective Coast Guard Sector—Captain of the Port to enforce these regulations.

(2) *Official Patrol* means any vessel assigned or approved by the respective Captain of the Port with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Spectators.* All persons and vessels not registered with the event sponsor as participants or official patrol vessels.

(4) *Regulated area* as used in this section means an area where Special local regulations apply to a specific described waterway to include creeks, sounds, bays, rivers and oceans. Regulated areas include all waters of a specific body of water described with intent to define boundaries where Coast Guard enforces Special local regulations. Boundaries may be described from shoreline to shoreline, reference bridges or other fixed structures, by points and lines defined by latitude and longitude. All coordinates reference Datum: NAD 1983.

(b) *Marine Event Patrol.* The Coast Guard may assign a marine event patrol, as described in § 100.40 of this part, to each regulated event listed in the table. Additionally, a PATCOM may be assigned to oversee the patrol. The marine event patrol and PATCOM may be contacted on VHF–FM Channel 16. The PATCOM may terminate the event, or the operation of any vessel participating in the marine event, at any time if deemed necessary for the protection of life or property. Only designated marine event participants and their vessels and official patrol vessels are authorized to enter the regulated area.

(c) *Special local regulations—(1) Controls on vessel movement.* The PATCOM or designated marine event patrol may forbid and control the movement of all vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with

the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) *Directions, instructions, and minimum speed necessary.* The operator of any vessel in the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any Official Patrol and then proceed only as directed.

(ii) All persons and vessels shall comply with the instructions of the Official Patrol.

(iii) When authorized to transit the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the race course.

(3) *Race Area.* This is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a race area within the regulated area defined by this part. Only event sponsor designated participants or designated participating vessels and official patrol vessels are allowed to enter the race area. Persons or vessel operators may request authorization to enter, transit through, anchor in, or remain within the regulated area by contacting the PATCOM on VHF-FM Channel 16.

(4) *Spectator Area.* This is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a spectator area within the regulated area defined by this part. Spectators are only allowed inside the regulated area if they remain within a designated spectator area. All spectator vessels shall be anchored or operate at a No Wake Speed within the designated spectator area. On scene designated PATCOM representatives will direct spectator vessels to the spectator area. Spectators may contact the PATCOM to request permission to pass through the regulated area. If permission is granted, spectators must pass directly through the regulated area at safe speed and without loitering.

(5) *Buffer Area.* This is a neutral zone that surrounds the perimeter of a Race Area or Marine Event Area within the regulated area described by this part. The purpose of a buffer zone is to minimize potential collision conflicts with marine event participants or race boats and spectator vessels or nearby transiting vessels. This zone provides separation between a Race Area or Marine Event Area and a specified Spectator Area or other vessels that are operating in the vicinity of the Special local regulated area for marine event.

(6) *Spectators.* Spectators are only allowed inside the regulated area if they remain within a designated spectator area. Spectators may contact the

PATCOM to request permission to either enter the Spectator Area or pass through the regulated area. If permission is granted, spectators may enter the Spectator Area or must pass directly through the regulated area as instructed by PATCOM at safe speed and without loitering.

(d) *Contact information.* Questions about marine events should be addressed to the local Coast Guard Captain of the Port for the area in which the marine event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector—Captain of the Port zone, please see subpart 3.25 of this chapter.

(1) Coast Guard Sector Delaware Bay—Captain of the Port Zone, Philadelphia, Pennsylvania: (215) 271-4940.

(2) Coast Guard Sector Maryland-National Capital Region—Captain of the Port Zone, Baltimore, Maryland: (410) 576-2525.

(3) Coast Guard Sector Hampton Roads—Captain of the Port Zone, Norfolk, Virginia: (757) 483-8567.

(4) Coast Guard Sector North Carolina—Captain of the Port Zone North Carolina: (877) 229-0770 or (910) 362-4015.

(e) *Application for marine events.* The application requirements of § 100.15 of this part apply to all marine events listed in the Table to § 100.501. For information on applying for a marine event permit, contact the Captain of the Port for the area in which the marine event will occur, at the phone numbers listed above.

(f) *Enforcement periods.* The enforcement periods for each of the Special local regulations listed in the Table to § 100.501 of this section are subject to change, but the duration of enforcement would remain the same or nearly the same total amount of time as stated in its table. In the event of a change, or for enforcement periods listed that do not allow a specific date or dates to be determined, the Captain of the Port will provide notice by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.

(g) *Regulations for specific marine events—(1) Marine event (b.) 7, U.S. Naval Academy Blue Angels Air Show.* Severn River spectator area; except for a vessel in an emergency situation, a vessel may not anchor or maintain station within the spectator area described in TABLE TO 100.501 (b.) 7 without the permission of the Captain of the Port or designated PATCOM. The Captain of the Port has designated this spectator area for commercial small

passenger vessel use. This area is closed except for commercial small passenger vessels holding a valid Certificate of Inspection regulated under 46 CFR subchapters K and T (46 CFR 114.110, and 175.110). Vessels that meet the requirements of this section may request access to the Severn River spectator area by contacting the City of Annapolis Harbormaster at (410) 263-7973 or email harbormaster@annapolis.gov to obtain a vessel spectator area application. Vessel spectator area applications shall be submitted no later than 7 calendar days prior to the event date. Applicants will be notified by the Captain of the Port or representative regarding status of applications and further instructions. All vessels shall contact the PATCOM on VHF-FM channels 16 or 22A prior to transiting to the spectator area to confirm entry approval. Vessels approved for spectator area access shall follow the instructions issued by the PATCOM when entering the regulated area. The regulations for this event will restrict access to the following Annapolis Harbor, MD, anchorage grounds listed in 33 CFR 110.159(a)(2) through (4): Middle Ground Anchorage, South Anchorage, and Naval Anchorage for Small Craft.

(2) *Marine event (b.) 23, Baltimore Air Show.* Patapsco River spectator area; except for a vessel in an emergency situation, a vessel may not anchor or hold station within the spectator area described in TABLE TO 100.501 (b.) 23 without the permission of the Captain of the Port or designated PATCOM. The Captain of the Port has designated this spectator area for commercial small passenger vessel use. This area is closed except for commercial small passenger vessels holding a valid Certificate of Inspection regulated under 46 CFR subchapters K and T (46 CFR 114.110, and 175.110). Vessels that meet the requirements of this section may request access to the Patapsco River spectator area by contacting the Sail Baltimore at (410) 522-7300 or email info@sailbaltimore.org to obtain a vessel spectator area application. Vessel spectator area applications shall be submitted no later than 10 calendar days prior to the event date. Applicants will be notified by the Captain of the Port or representative regarding status of applications and further instructions. All vessels shall contact the PATCOM on VHF-FM channels 16 or 22A prior to transiting to the spectator area to confirm entry approval. Vessels approved for spectator area access shall follow the instructions issued by the PATCOM when entering the regulated area. The regulations for this event will

restrict access to the following Baltimore Harbor, MD, anchorage grounds listed in 33 CFR 110.158(1)(1) through (4): Anchorage No. 1, general anchorage; Anchorage No. 2, general anchorage; Anchorage No. 3 Upper, general anchorage; and Anchorage No. 3 Lower, general anchorage.

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 3. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 4. Revise section 165.506 to read as follows:

§ 165.506 Safety Zones; Fireworks Displays in the Fifth Coast Guard District.

(a) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 and the regulations in this section apply to the fireworks safety zones listed in the Table to § 165.506. These regulations will be enforced annually, for the duration of each fireworks event listed in the Table to § 165.506. In the case of inclement weather, the event may be conducted on the day following the date listed in the Table to § 165.506. Annual notice of the exact dates and times of the enforcement period of the regulation with respect to each safety zone, the geographical area, and other details concerning the nature of the fireworks event will be published in Local Notices to Mariners and via Broadcast Notice to Mariners over VHF-FM marine band radio.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port, Coast Guard Patrol Commander or the designated on-scene-patrol personnel. Those personnel are comprised of commissioned, warrant, and petty officers of the U.S. Coast Guard. Other Federal, State and local agencies may assist these personnel in the enforcement of the safety zone. Upon being hailed by a U.S. Coast Guard

vessel by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(b) *Notification.* (1) Fireworks barges and launch sites on land that operate within the regulated areas contained in the Table to § 165.506 will have a sign affixed to the port and starboard side of the barge or mounted on a post 3 feet above ground level when on land immediately adjacent to the shoreline and facing the water labeled “FIREWORKS—DANGER—STAY AWAY”. This will provide on scene notice that the safety zone will be enforced on that day. This notice will consist of a diamond shaped sign 4 feet by 4 feet with a 3-inch orange retro reflective border. The word “DANGER” shall be 10 inch black block letters centered on the sign with the words “FIREWORKS” and “STAY AWAY” in 6 inch black block letters placed above and below the word “DANGER” respectively on a white background.

(2) Coast Guard Captains of the Port in the Fifth Coast Guard District will notify the public of the enforcement of these safety zones by all appropriate means to affect the widest publicity among the affected segments of the public. Publication in the Local Notice to Mariners, marine information broadcasts, and facsimile broadcasts may be made for these events, beginning 24 to 48 hours before the event is scheduled to begin, to notify the public.

(c) *Contact information.* Questions about safety zones and related events should be addressed to the local Coast Guard Captain of the Port for the area in which the event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector—Captain of the Port zone, please see 33 CFR 3.25.

(1) Coast Guard Sector Delaware Bay—Captain of the Port Zone, Philadelphia, Pennsylvania: (215) 271–4940.

(2) Coast Guard Sector Maryland-National Capital Region—Captain of the Port Zone, Baltimore, Maryland: (410) 576–2525.

(3) Coast Guard Sector Hampton Roads—Captain of the Port Zone, Norfolk, Virginia: (757) 483–8567.

(4) Coast Guard Sector North Carolina—Captain of the Port Zone, Wilmington, North Carolina: (877) 229–0770 or (910) 362–4015.

(d) *Enforcement periods.* The safety zones in the Table to § 165.506 will be enforced from 5:30 p.m. to 1 a.m. each day a barge with a “FIREWORKS—DANGER—STAY AWAY” sign on the port and starboard side is on-scene or a “FIREWORKS—DANGER—STAY AWAY” sign is posted on land adjacent to the shoreline, in a location listed in the Table to § 165.506. Vessels may not enter, remain in, or transit through the safety zones during these enforcement periods unless authorized by the Captain of the Port or designated Coast Guard patrol personnel on scene. The enforcement periods for each Safety Zone in the Table to § 165.506 of this section are subject to change, but the duration of enforcement would remain the same or nearly the same total amount of time as stated in its table. In the event of a change, or for enforcement periods listed that do not allow a specific date or dates to be determined, the Captain of the Port will provide notice by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.
