On July 22, 2016 CARA was signed into law by President Obama. The new law authorizes prescribing privileges of covered medications in office-based settings by NPs and PAs for five years (until October 1, 2021). At this meeting, SAMHSA will be seeking input on how to best implement the requirements that all NPs and PAs must have twenty-four hours of training before obtaining a waiver to prescribe covered medications. The meeting will include the organizations listed in statute and is also open to the public. Specifically, SAMHSA is seeking input on existing training programs that may meet the statutory requirements for training and within the twenty-four hours of training, the number of hours that NPs and PAs would have to complete on each topic listed in the CARA Act.

The agenda will include:
—Welcome and introductions
—Review of CARA Training Requirements
