Foreign-Trade Zone (FTZ) 46G—Cincinnati, Ohio, Notification of Proposed Production Activity, Givaudan Flavors Corporation, (Flavor Products), Cincinnati, Ohio

Givaudan Flavors Corporation (Givaudan) submitted a notification of proposed production activity to the FTZ Board for its facility in Cincinnati, Ohio, within Subzone 46G. The notification conformed to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on August 25, 2016.

The Givaudan facility is used for the production of flavor compounds. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Givaudan from customs duty payments on the foreign status components used in export production. On its domestic sales, for the foreign status components in the existing scope of authority, Givaudan would be able to choose the duty rates during customs entry procedures that apply to food articles containing sugar, other cyclanes, cyclenes and cyclopterpenes, other cyclic hydrocarbons, acyclic terpene alcohols, butanoic acids, pentanoic acids, their salts and esters, citrus oil blends, aqueous distillates and aqueous solutions of essential oils, and terpenic by-products of the deterioration of essential oils (duty rate ranges from free to 6.4%). Customs duties also could possibly be deferred or reduced on foreign status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is October 25, 2016. A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz.

Dated: September 6, 2016.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On March 1, 2016, the Department of Commerce (“Department”) initiated the second sunset review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam (“Vietnam”). The Department determined that it was appropriate to conduct a full review. The Department preliminarily finds that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Preliminary Results of Review” section of this notice.

DATES: Effective September 15, 2016.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2016, the Department of Commerce (“Department”) initiated the second sunset review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam (“Vietnam”) in accordance with section 751(c) of the Act. The Department received notices of intent to participate from domestic interested parties, the Ad Hoc Shrimp Trade Action Committee (“AHSTAC”), and the American Shrimp Processors Association (“ASPA”), within the deadline specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status under section 771(9)(C) of the Act, as manufacturers of a domestic-like product in the United States.

The Department received substantive responses from domestic interested parties (AHSTAC and ASPA) and respondent interested parties (collectively “Vietnamese Respondents”) within the 30-day deadline specified in 19 CFR 351.218(d)(5)(i). On April 22, 2016, the Department determined that Vietnamese Respondents accounted for more than 50 percent of exports by volume of the subject merchandise and, therefore, submitted an adequate substantive response. The Department also determined that domestic interested parties submitted an adequate response pursuant to 19 CFR 351.218(e)(1)(i). In accordance with 19 CFR 351.218(e)(2)(i), the Department determined to conduct a full sunset review of this antidumping duty order.

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.

Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description, available in the Preliminary Decision Memo, remains dispositive.

Analysis of Comments Received

All issues raised for the preliminary results of this sunset review are addressed in the Preliminary Decision Memorandum, dated concurrently with this notice. The issues discussed in the Preliminary Decision Memorandum are the likelihood of continuation or recurrence of dumping, and the magnitude of the margins of dumping likely to prevail if these orders were revoked. The Preliminary Decision Memorandum is a public document and is on file electronically via the Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at http://access.trade.gov and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/fmt/. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

Pursuant to section 752(c) of the Act, we determine that revocation of the antidumping duty order on certain frozen warmwater shrimp from Vietnam would be likely to lead to continuation or recurrence of dumping at weighted average margins up to 25.76 percent. Interested parties may submit case briefs no later than 30 days after the date of publication of the preliminary results of this full sunset review, in accordance with 19 CFR 351.309(c)(1)(i). Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than five days after the time limit for filing case briefs in accordance with 19 CFR 351.309(d). Any interested party may request a hearing within 30 days of publication of this notice in accordance with 19 CFR 351.310(c). A hearing, if requested, will be held two days after the date the rebuttal briefs are due. The Department will issue a notice of final results of this full sunset review, which will include the results of its analysis of issues raised in any such comments, no later than January 25, 2017.

This five-year (“sunset”) review and notice are in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218(f)(1).

Christian Marsh,
Acting Assistant Secretary for Enforcement and Compliance.
