#### Extension:

Rule 155; SEC File No. 270–492; OMB Control No. 3235–0549.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 155 (17 CFR 230.155) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) provides safe harbors for a registered offering of securities following an abandoned private offering, or a private offering following an abandoned a registered offering, without integrating the registered and private offerings in either case. In connection with registered offering following an abandoned private offering, Rule 155 requires an issuer to include in any prospectus filed as a part of a registration statement disclosure regarding the abandoned private offering. Similarly, the rule requires an issuer to provide each offeree in a private offering following an abandoned registered offering with: (1) Information concerning the withdrawal of the registration statement; (2) the fact that the private offering is unregistered; and (3) the legal implications of the offering’s unregistered status. All information submitted to the Commission is available to the public for review. Companies only need to satisfy the Rule 155 information requirements if they wish to take advantage of the rule’s safe harbors. The Rule 155 information is required only on occasion. We estimate Rule 155 takes approximately 4 hours per response to prepare and is filed by 600 respondents annually. We estimate that 50% of the 4 hours per response (2 hours per response) is prepared by the filer for a total annual reporting burden of 1,200 hours (2 hours per response × 600 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–78846; File No. SR–ICC–2016–010]

### Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change To Revise the ICC Risk Management Model Description Document and the ICC Risk Management Framework

September 15, 2016.

On July 15, 2016, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act (“Act”)<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> a proposed rule change to revise the ICC Risk Management Framework to incorporate certain risk model enhancements. ICC also proposed minor clarifying edits to the ICC Risk Management Model Description document and the ICC Risk Management Framework (File No. SR–ICC–2016–010). The proposed rule change was published for comment in the **Federal Register** on August 4, 2016.<sup>3</sup> To date, the Commission has not received comments on the proposed rule change.

Section 19(b)(2) of the Act<sup>4</sup> provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day from the publication of notice of filing of this

proposed rule change is September 18, 2016.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. ICC’s proposed rule change would modify the ICC Risk Management Framework. The Commission finds it appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider ICC’s proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,<sup>5</sup> designates November 2, 2016 as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–ICC–2016–010).
