A meeting involving members of the Industry Advisory Board (IAB) to the International Energy Agency (IEA) in connection with the IEA's 8th Emergency Response Exercise (ERE8) for SEQ Delegates Only (EXSEQ) will be held at the Conference Centre of the French Ministry of Foreign Affairs, 27, Rue de la Convention, 75015 Paris, France, on September 29, 2016. ERE8 will be held from 9:30 a.m.–3:30 p.m. on September 29, 2016. The purpose of ERE8 is to train IEA Government delegates in the use of IEA emergency response procedures by reacting to a hypothetical oil and gas supply disruption scenario.

ERE8 will involve break-out groups, the constitution of which is under the control of the IEA. The IEA anticipates that individual break-out groups will not include multiple IAB or Reporting Company representatives that would qualify them as separate "meetings" within the meaning of the Voluntary Agreement, and accordingly attendance by additional full-time federal employees to monitor individual break-out groups is not expected to be required.

The agenda for ERE8 is under the control of the IEA. It is expected that the IEA will adopt the following agenda:

Draft Agenda of the 2016 Eighth Emergency Response Exercise (ERE8) for SEQ Delegates Only (EXSEQ), 29 September 2016, Conference Centre of the French Ministry of Foreign Affairs, 27, Rue de la Convention, 75015 Paris, France:

Meetings

for ERE8 are open only to SEQ delegates, as well as to representatives of the Directorate-General for Competition of the European Commission and representatives of members of the IEA Group of Reporting Companies may attend the meeting as observers. The meeting will also be open to representatives of the Secretary of Energy, the Secretary of State, the Attorney General, and the Federal Trade Commission severally, to any United States Government employee designated by the Secretary of Energy, and to the representatives of Committees of the Congress.
