III. Request for Comments

Regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act, require that interested members of the public have an opportunity to comment on an agency's information collection and recordkeeping activities. See 5 CFR 1320.8(d). To comply with the public consultation process, the Commission previously published its 60-day notice of its intent to submit the above-mentioned information collection requests to OMB for approval. See 81 FR 36322 (June 6, 2016). The Commission did not receive any comments in response to that notice and request for comments.

The Commission will submit the preceding requests to OMB to renew its approval of the information collections. The Commission is requesting a three-year term of approval for each of these information collection and recordkeeping activities.

You are again invited to comment on these collections concerning: (i) Whether the collections of information are necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (ii) the accuracy of the agency's estimates of the burdens (including the hours and cost) of the proposed collections of information, including the validity of the methodologies and assumptions used; (iii) ways to enhance the quality, utility, and clarity of the information to be collected; (iv) ways to minimize the burdens of the information collections on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or forms of information technology. It should be noted that as a result of the Commission reviewing its own records that track the number of tribal and/or management contractor submissions and after surveying tribal gaming operators, tribal gaming regulatory authorities, and/or management contractors regarding the Commission's submission and recordkeeping requirements, many of the previously published burden estimates have changed since the publication of the Commission's 60-day notice on June 6, 2016. If you wish to comment in response to this notice, you may send your comments to the office listed under the **ADDRESSES** section of this notice by October 27, 2016.

Comments submitted in response to this second notice will be summarized

and become a matter of public record. The NIGC will not request nor sponsor a collection of information, and you need not respond to such a request, if there is no valid OMB Control Number.

Dated: September 21, 2016.

Shannon O'Loughlin,
Chief of Staff.
