FEDERAL RESERVE SYSTEM

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice and request for comment regarding the Federal Reserve proposal to extend with revision, the clearance under the Paperwork Reduction Act for the following information collection activity.

Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, With Revision, of the Following Report

Report title: Joint Standards for Assessing Diversity Policies and Practices.

Agency form number: FR 2100.

OMB control number: 7100-0368.

Frequency: Annual.

Respondents: Financial institutions regulated by the Federal Reserve.

Estimated annual burden hours: 3,912 hours.

Estimated average hours per response: 8 hours.

Number of respondents: 488.

General description of report: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act) requires the Office of the Comptroller of the Currency (OCC), Board of Governors of the Federal Reserve System (Board), Federal Deposit Insurance Corporation (FDIC), National Credit Union Administration (NCUA), Bureau of Consumer Financial Protection (CFPB), and Securities and Exchange Commission (SEC) (the Agencies) each to establish an Office of Minority and Women Inclusion (OMWI) to be responsible for all matters of the Agency relating to diversity in management, employment, and business activities. Section 342 requires each OMWI director to develop standards for "assessing the diversity policies and practices of entities regulated by the agency." The Policy Statement,

published jointly by the Agencies in June 2015, contain those standards.

Legal authorization and confidentiality: The Board's Legal Division has determined that the information collections contained within the Policy Statement are authorized by section 342 of the Dodd-Frank Act, which requires the Board's OMWI director to develop standards for assessing regulated entities' diversity policies and practices and are voluntary.

The Standard regarding transparency, and a portion of the self-assessment Standard, call for regulated entities to provide information to the public, so confidentiality is not an issue with respect to those aspects of the Policy. A regulated entity may provide self-assessment material to the Board that contains confidential commercial information protectable under exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), and may request that the information be kept confidential on a case-by-case basis. The Federal Reserve will determine whether the information is entitled to confidential treatment on an ad hoc basis in connection with such a request. As noted in the Policy Statement, an entity's primary federal regulator may share information obtained from regulated entities with other Agencies, but will publish information disclosed to them only in a form that does not identify a particular entity or individual or disclose confidential business information.

Current Actions: The Federal Reserve previously received OMB approval for a voluntary information collection with respect to the Policy Statement, pursuant to which entities regulated by the Federal Reserve voluntarily self-assess their diversity policies and practices.¹ This proposed revision to that collection would add the Diversity Self-Assessment Template to assist with the self-assessment. The Template (1) asks for general information about a respondent; (2) includes a checklist of the standards set forth in the Policy Statement; (3) seeks additional diversity data; and (4) provides an opportunity for a respondent to provide other information regarding or comment on the self-assessment of its diversity policies and practices.

Board of Governors of the Federal Reserve System, September 22, 2016.

Robert deV. Frierson,
Secretary of the Board.
