Notice of Intent To Give Fourth Funding Priority to Loan Application Packages Received via an Intermediary Under the Certified Loan Application Packaging Process Within the Section 502 Direct Single Family Housing Program

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: On May 19, 2016, the final rule for the certified loan application packaging process for the direct single family housing loan program became effective. See 80 FR 23673 (April 29, 2015) and 81 FR 8389 (February 19, 2016). The Administrator has the ability to temporarily reclassify applications received through the certified loan application packaging process as fourth funding priority when funds are insufficient to serve all program-eligible applicants, when determined appropriate. See 7 CFR 3550.55(c)(5).

In accordance with this regulatory allowance, the Administrator will grant fourth funding priority to loan application packages received via an Agency-approved intermediary when funds are insufficient to serve all program-eligible applicants. This reclassification will remain in effect until further notice via **Federal Register** notice. This reclassification does not apply to certified packaging bodies working without an intermediary.

DATES: This funding priority reclassification for loan application packages received via an Agency-approved intermediary is effective on September 27, 2016.

FOR FURTHER INFORMATION CONTACT: Tammy Repine, Finance and Loan Analyst, Single Family Housing Direct Loan Division, USDA Rural Development, 3625 93rd Avenue SW., Olympia, Washington 98512, Telephone: 360-753-7677. Email: tammy.repine@wdc.usda.gov.

SUPPLEMENTARY INFORMATION: This action is deemed appropriate since the activities performed by the Agency-

approved intermediaries (e.g. quality assurance reviews on packaged loan applications; recruitment of certified packaging bodies; and supplemental training, technical assistance, and support to certified packaging bodies) enhance the work and goals of the Agency and benefit the low- and very low-income people who wish to achieve homeownership in rural areas by increasing awareness of the Agency's housing program, increasing specialized support available to complete the application for assistance, and improving the quality of loan application packages.

SUPPLEMENTARY INFORMATION:

I. Abstract

This notice informs the public that the National Technical Information Service (NTIS) is requesting approval of a revised information collection described in Section II for use in connection with the final rule for the "Certification Program for Access to the Death Master File." The final rule was published on June 1, 2016 (81 FR 34882), with the rule to become effective on November 28, 2016. The revised information collection described in Section II, if approved, will become effective on the effective date of the final rule.

II. Method of Collection

Title of Information Collection: "Limited Access Death Master File Subscriber Certification Form" (Certification Form).

Description of the need for the information and the proposed use: NTIS issued a final rule establishing a program through which persons may become eligible to obtain access to Death Master File (DMF) information about an individual within three years of that individual's death. The final rule was promulgated under Section 203 of the Bipartisan Budget Act of 2013, Public Law 113-67 (Act). The Act prohibits the Secretary of Commerce (Secretary) from disclosing DMF information during the three-year period following an individual's death (Limited Access DMF), unless the person requesting the information has been

certified to access the Limited Access DMF pursuant to certain criteria in a program that the Secretary establishes. The Secretary delegated the authority to carry out Section 203 to the Director of NTIS.

Initially, on March 26, 2014, NTIS promulgated an interim final rule, establishing a temporary certification program (79 FR 16668) for persons who seek access to the Limited Access DMF. Subsequently, on December 30, 2014, NTIS issued a notice of proposed rulemaking (79 FR 78314). NTIS adjudicated the comments received, and, on June 1, 2016, published a final rule (81 FR 34822).

NTIS created the Certification Form used with the interim final rule for Persons and Certified Persons to provide information to NTIS describing the basis upon which they are seeking certification. In the notice of proposed rulemaking, NTIS discussed proposed revisions to the Certification Form (79 FR 78314 at 78320-21). The final rule requires that Persons and Certified Persons provide additional information to improve NTIS's ability to determine whether a Person or Certified Person meets the requirements of the Act (81 FR 34882).

III. Data

OMB Control Number: 0692-0013.

Form Number(s): NTIS FM161.

Type of Review: Revised information collection.

Affected Public: Members of the public seeking certification or renewal of certification for access to the Limited Access Death Master File under the final rule for the "Certification Program for Access to the Death Master File."

Estimated Number of Respondents: NTIS expects to receive approximately 560 applications and renewals for certification every year.

Estimated Time per Response: 2.5 hours.

Estimated Total Annual Burden Hours: 1,400 (560 applications × 2.5 hours = 1,400 hours).

Estimated Total Annual Cost to Public: NTIS expects to receive up to 560 applications annually at a fee of \$1,575 per application, for a total cost of \$882,000. This total annual cost reflects the cost to the Federal Government, which consists of the expenses associated with NTIS personnel reviewing and processing the revised Certification Form. In addition, NTIS expects that preparation of the application will require a senior administrative staff person 2.5 hours at a rate of \$100/hour, for a total cost to the public of \$140,000 (1,400 total burden hours × \$100/hour = \$140,000).
