Extension:

Regulation 13D and Regulation 13G; Schedule 13D and Schedule 13G, SEC File No. 270-137, OMB Control No. 3235-0145

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the office of Management and Budget for extension and approval.

Schedules 13D and 13G are filed pursuant to Sections 13(d) and 13(g) of the Securities Exchange Act and Regulations 13D and 13G thereunder to report beneficial ownership of equity securities registered under Section 12 of the Exchange Act. Regulations 13D and 13G provide investors, the subject issuers, and market participants with information about the accumulation of equity securities that may have the potential to change or influence control of an issuer. Schedules 13D and 13G are filed by persons, including small entities, to report their ownership of more than 5% of a class of equity securities registered under Section 12. We estimate that it takes approximately 14.5 burden hours to prepare a Schedule 13D and that it is filed by approximately 1,508 respondents. In addition, we estimate that 25% of the 14.5 hours per response (3.625 hours per response) is carried internally by the respondent for a total annual reporting burden of 5,467 hours (3.625 hours per response × 1,508 responses).

We estimate that it takes approximately 12.4 burden hours to prepare Schedule 13G and that it is filed by approximately 7,079 respondents. We estimate that 25% of the 12.4 hours per response (3.1 hours per response) is carried internally by the respondent for a total annual reporting burden of 21,945 hours (3.1 hours per response × 7,079 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the

information will have practical utility; (b) the accuracy of the agency's estimate of burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549.

Dated: September 27, 2016.
