Announcement of a Single-Source Supplement Grant to the National Child Welfare Capacity Building Center for Tribes

AGENCY: Children’s Bureau, ACYF, ACF, HHS.

ACTION: Notice.

SUMMARY: The Administration for Children and Families (ACF), Administration for Children Youth and Families (ACYF), Children’s Bureau announces the award of a single-source supplement grant in the amount of \$547,000 to the National Child Welfare Capacity Building Center for Tribes (CBCT), operated by the University of Denver (Colorado Seminary). The primary goal of this grant is to provide capacity-building services to title IV–E and IV–B American Indian and Alaska Native Nations (AI/AN), and to promote intergovernmental collaboration between tribes and state child welfare agencies in system improvement work. **DATES:** Supplemental funding will support activities and costs from September 30, 2016, through September 29, 2017.

FOR FURTHER INFORMATION CONTACT: Dr. Roshanda Shoulders, Children’s Bureau, 330 C Street SW., Washington, DC

20024. Telephone: 202-401-5323; email: *roshanda.shoulders@acf.hhs.gov*.

SUPPLEMENTARY INFORMATION: Supplemental funds would be used to enhance the development and delivery of high-quality products and services designed to build the capacities of child welfare systems to improve outcomes for AI/AN children, youth, and families and their communities. These enhanced services will build on CBCT’s existing engagement and partnerships with state and tribal child welfare agencies to further address the needs of, and reduce disparities for, native children and families (e.g., rates of removal and placement in out-of-home care, access to effective and culturally appropriate services, well-being outcomes), and improve overall child welfare services delivery and outcomes for AI/AN children youth and families.

The supplemental funding will afford CBCT the opportunity to provide expanded universal and tailored technical assistance to tribes across the nation and allow for expanded and enhanced collaboration and coordination with the other capacity building providers.

The programmatic components targeted under this supplement will be for CBCT expansion activities to better meet the national need for universal and tailored services to tribal child welfare agencies. Over 180 tribes are eligible to receive capacity-building services through CBCT based on their management of title IV–B and tribal title IV–E funded programs. There has been a concerted outreach effort to encourage a maximum number of tribes to access services through CBCT.

Title: Income Withholding Order/ Notice for Support (IWO). *OMB No.:* 0970-0154.
Description: The Income Withholding Order/Notice for Support (IWO) is the standard form that must be used to order and notify employers and income providers to withhold child support payments from an obligor's income. It also indicates where employers and other income providers must remit the payments and other information needed to withhold correctly.
 Child support agencies, courts, private attorneys, custodial parties, and others must use the IWO form to initiate

an income withholding order for support and give notice of income withholding. State child support agencies are required to have automated data processing systems containing current order and case information. State child support agencies providing services to custodial and/or noncustodial parties enter the terms of a child support order established by a tribunal into the state's automated system, which automatically populates the order information into the IWO form.

Employers and income providers also use the form to respond to the order/ notice with termination or income status information. Employers and other income providers may choose to receive the IWO form from child support agencies on paper or electronically, and may respond on paper or electronically to notify the sender of termination of employment or change in the income status.

The information collection activities pertaining to the IWO form are authorized by 42 U.S.C. 666(a)(1), (a)(8) and 666(b)(6), which require the use of the Income Withholding for Support (IWO) form to order income withholding for all child support orders.

Respondents: Courts, private attorneys, custodial parties or their
