**Certain Cased Pencils From the People's Republic of China: Final Results of Expedited Sunset Review of the Antidumping Duty Order**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) finds that revocation of the antidumping duty order (AD) order on certain cased pencils from the People's Republic of China (PRC) would be likely to lead to continuation or recurrence of dumping at the level indicated in the "Final Results of Review" section of this notice.

**DATES:** Effective October 6, 2016.

**FOR FURTHER INFORMATION CONTACT:** Mary Kolberg, Office I, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1785.

**SUPPLEMENTARY INFORMATION:****Background**

On June 1, 2016, the Department initiated a sunset review of the *AD Order*<sup>1</sup> on certain cased pencils from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> The Dixon Ticonderoga Company (Dixon), as well as the General Pencil Co., Inc., Musgrave Pencil Co., and RoseMoon, Inc., notified the Department of their intent to participate in the sunset review as domestic interested parties on June 7, 2016, and June 14, 2016, respectively, pursuant to 19 CFR 351.218(d)(1)(i).<sup>3</sup> Each of these companies claimed interested party status under section 771(9)(C) of the Act, as domestic producers of the domestic like product.

On July 1, 2016, the Department received a collective substantive

response from General Pencil Co., Inc., Musgrave Pencil Co., and RoseMoon, Inc., within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>4</sup> The Department did not receive a substantive response from Dixon or any respondent interested party to the sunset proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this *AD Order*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

**Scope of the Order**

Imports covered by the order are shipments of certain cased pencils of any shape or dimension (except as described below) which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (*e.g.*, with erasers, *etc.*) in any fashion, and either sharpened or unsharpened. The pencils subject to the order are currently classifiable under subheading 9609.10.00 of the Harmonized Tariff Schedule of the United States ('HTSUS'). Specifically excluded from the scope of the order are mechanical pencils, cosmetic pencils, pens, noncased crayons (wax), pastels, charcoals, chalks, and pencils produced under U.S. patent number 6,217,242, from paper infused with scents by the means covered in the above-referenced patent, thereby having odors distinct from those that may emanate from pencils lacking the scent infusion. Also excluded from the scope of the order are pencils with all of the following physical characteristics: (1) Length: 13.5 or more inches; (2) sheath diameter: not less than one-and-one quarter inches at any point (before sharpening); and (3) core length: Not more than 15 percent of the length of the pencil. In addition, pencils with all of the following physical characteristics are excluded from the scope of the order: Novelty jumbo pencils that are octagonal in shape, approximately ten inches long, one inch in diameter before sharpening, and three-and-one eighth inches circumference, composed of turned wood encasing one-and-one half inches of sharpened lead on one end and a rubber eraser on the other end. Although the HTSUS subheading is

provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

**Analysis of Comments Received**

All issues raised in this review are addressed in the Issues and Decision Memorandum, which is dated concurrently with this notice.<sup>5</sup> The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the *AD Order* were revoked. Parties can find a complete discussion of all issues raised in this expedited sunset review and the corresponding recommendations in this public memorandum, which is on file electronically *via* the Enforcement and Compliance Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. A list of topics discussed in the Issues and Decision Memorandum is included as an Appendix to this notice. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

**Final Results of Review**

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, we determine that revocation of the *AD Order* on certain cased pencils from the PRC would be likely to lead to continuation or recurrence of dumping at weighted-average percent margins up to 53.65 percent.
