SUPPLEMENTARY INFORMATION: On June 15, 2016, the Federal Election Commission received a Petition for Rulemaking from the Minnesota

Democratic-Farmer-Labor Party and its Chair, Ken Martin, requesting that the Commission amend several regulations applicable to political parties.

First, the Federal Election Campaign Act, 52 U.S.C. 30101–46 (the “Act”), as amended by the Bipartisan Campaign Reform Act (“BCRA”), and Commission regulations provide that a state, district, or local committee of a political party must pay for “Federal election activity” with either entirely federal funds or, in other instances, a mix of federal funds and “Levin funds.” See 52 U.S.C. 30125(b); 11 CFR 300.32. Under Commission regulations, “Federal election activity” includes certain activities that urge, encourage, or assist people to register to vote or to vote. See 11 CFR 100.24; Definition of Federal Election Activity, 75 FR 55257, 55260 (Sept. 10, 2010). The petitioners request that the Commission narrow this definition.

Second, Commission regulations provide that political parties must use a federal account to pay the salary, wages, and fringe benefits of an employee who spends more than 25 percent of that individual's time on “Federal election activities” or on conduct “in connection with a Federal election.” See 11 CFR 106.7(d)(1)(i)–(ii). The petitioners ask the Commission to amend this rule to omit “Federal election activities” from the calculation, covering only activities “in connection with a Federal election.”

Finally, the petitioners ask the Commission to consider additional regulatory modifications listed in Commission Agenda Document No. 15–54–A, a proposed resolution that recommended amending several rules to (1) allow political parties “to discuss issue advertisements with candidates,” “republish parts of candidate materials in party materials,” and “distribute volunteer campaign materials without triggering coordination limits,” see 11 CFR 109.37; (2) “[e]xpand political party freedom to engage in volunteer activities such as volunteer mail drives, phone banks, and literature distribution,” see *id.* 100.87, 100.147; and (3) modify the definition of “Federal election activity” to permit “political parties to register voters and urge citizens to vote on behalf of state and local candidates free from FEC regulation” and to “employ people to engage in state and local get-out-the-vote activities with state funds,” see *id.* 100.24.

The Commission seeks comments on the petition. The public may inspect the Petition for Rulemaking on the Commission's Web site at <http://www.fec.gov/fosers>, or in the Commission's Public Records Office,

999 E Street NW., Washington, DC 20463, Monday through Friday, from 9 a.m. to 5 p.m. Interested persons may also obtain a copy of the petition by dialing the Commission's Faxline service at (202) 501-3413 and following its instructions. Request document #283.

The Commission will not consider the petition's merits until after the comment period closes. If the Commission decides that the petition has merit, it may begin a rulemaking proceeding. The Commission will announce any action that it takes in the **Federal Register**.

On behalf of the Commission,

Dated: September 29, 2016.

Matthew S. Petersen,

Chairman, Federal Election Commission.

SUPPLEMENTARY INFORMATION: On January 8, 2016, the Federal Election Commission received a Petition for Rulemaking from the Perkins Coie LLP Political Law Group. The petition asks the Commission to adopt new regulations, and to revise its current regulations, to implement amendments to the Federal Election Campaign Act, 52 U.S.C. 30101-46 ("FECA"), made by the Consolidated and Further Continuing Appropriations Act, 2015, Pub. L. 113-235, 128 Stat. 2130, 2772 (2014) (the "Appropriations Act"). The petition also asks the Commission to adopt new regulations, and to amend its current regulations, regarding convention committees.

The Appropriations Act amended FECA by establishing separate limits on contributions to three types of segregated accounts of national party committees (collectively "party segregated accounts"). The party segregated accounts are for expenses incurred with respect to (1) presidential nominating conventions; (2) party headquarters buildings; and (3) election recounts or contests and other legal proceedings. 52 U.S.C. 30116(a)(9). The Appropriations Act permits a national party committee to maintain the party segregated accounts in addition to any other federal accounts that the committee may lawfully maintain.

Under the Appropriations Act, a national party committee may use its presidential nominating convention account "solely to defray expenses incurred with respect to a presidential

nominating convention (including the payment of deposits) or to repay loans the proceeds of which were used to defray such expenses, except that the aggregate amount of expenditures the national committee of a political party may make from such account may not exceed \$20,000,000 with respect to any single convention." 52 U.S.C. 30116(a)(9)(A). A committee may use its party headquarters building account "solely to defray expenses incurred with respect to the construction, purchase, renovation, operation, and furnishing of one or more headquarters buildings of the party or to repay loans the proceeds of which were used to defray such expenses, or otherwise to restore funds used to defray such expenses." 52 U.S.C. 30116(a)(9)(B). Finally, a national party committee may use its election recounts or contests and other legal proceedings account to "defray expenses incurred with respect to the preparation for and the conduct of election recounts and contests and other legal proceedings." 52 U.S.C. 30116(a)(9)(C). The petition asks the Commission to adopt a "new regulatory framework" for each type of party segregated account and to amend current regulations, or adopt new regulations, that would apply to all such accounts.

The petition also addresses convention committees. Until recently, national party committees were entitled to receive public funds to defray the costs of their presidential nominating conventions. *See* 26 U.S.C. 9001-9013 (2012); 11 CFR part 9008. Commission regulations therefore established convention committees "as a necessary requirement in order to enable the Commission to know who has initial responsibility for handling public funds and incurring expenditures." Presidential Election Campaign Fund and Federal Financing of Presidential Nominating Conventions, 44 FR 63036, 63038 (Nov. 1, 1979). In 2014, however, Congress terminated the public funding of presidential nominating conventions, while leaving in place most of the statutory framework that had implemented that funding system. *See* Gabriella Miller Kids First Research Act, Pub. L. 113-94, 128 Stat. 1085 (2014) (the "Research Act"). Shortly after the Research Act was passed, in response to a request filed by two national party committees, the Commission issued an advisory opinion concluding that the requestors could establish convention committees to "us[e] privately-raised funds solely to pay for the same types of convention expenses for which public funds were previously used."
