

average amount of support per location received in the state for that carrier over the term of support for the relevant number of locations plus 10 percent of the eligible telecommunications carrier's total relevant high-cost support over the support term for that state.

(3) *Compliance reviews.* If subsequent to the eligible telecommunications carrier's support term, USAC determines in the course of a compliance review that the eligible telecommunications carrier does not have sufficient evidence to demonstrate that it is offering service to all of the locations required by the final milestone or, in the case of Alaska Plan participants, did not provide service consistent with the carrier's approved performance plan, USAC shall recover a percentage of support from the eligible telecommunications carrier as specified in paragraph (d)(2) of this section.

■ 8. Section 54.321 is added to subpart D to read as follows:

§ 54.321 Reporting and certification requirements for Alaska Plan participants.

Any competitive eligible telecommunications carrier authorized to receive Alaska Plan support pursuant to § 54.317 shall provide:

(a) No later than 60 days after the end of each participating carrier's first five-year term of support, a certification that it has met the obligations contained in the performance plan approved by the Wireless Telecommunications Bureau, including any obligations pursuant to a revised approved performance plan and that it has met the requisite public interest obligations contained in the Alaska Plan Order. For Alaska Plan participants receiving more than \$5 million annually in support, this certification shall be accompanied by data received or used from drive tests analyzing network coverage for mobile service covering the population for which support was received and showing mobile transmissions to and from the carrier's network meeting or exceeding the minimum expected download and upload speeds delineated in the approved performance plan.

(b) No later than 60 days after the end of each participating carrier's second five-year term of support, a certification that it has met the obligations contained in the performance plan approved by the Wireless Telecommunications Bureau, including any obligations pursuant to a revised approved performance plan, and that it has met the requisite public interest obligations contained in the Alaska Plan Order. For Alaska Plan participants receiving more than \$5 million annually in support, this certification shall be accompanied

by data received or used from drive tests analyzing network coverage for mobile service covering the population for which support was received and showing mobile transmissions to and from the carrier's network meeting or exceeding the minimum expected download and upload speeds delineated in the approved performance plan.

International Fisheries; Pacific Tuna Fisheries; 2016 Bigeye Tuna Longline Fishery Reopening in the Eastern Pacific Ocean

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; fishery reopening.

SUMMARY: NMFS is temporarily reopening the U.S. pelagic longline fishery for bigeye tuna for vessels over 24 meters in overall length in the eastern Pacific Ocean (EPO) because part of the 500 metric ton (mt) catch limit remains available after NMFS closed the fishery on July 25, 2016. This action will allow U.S. vessels to access the remainder of the catch limit, which was established by the Inter-American Tropical Tuna Commission (IATTC) in Resolution C-13-01.

DATES: The reopening is effective October 4, 2016 until the effective date
