

Prevention Act and the Safer Choice program by reducing pollution at its source through safer chemistry. The Safer Choice Partner of the Year Awards recognize program participants for advancing the goal of chemical safety through exemplary participation in or promotion of the Safer Choice Program. Safer Choice Program participants are continually driving innovation to make chemical products safer. Our program currently labels more than 2,000 products, used by consumers, institutions and industry that meet our Safer Choice Standard. The 2017 Partner of the Year Awards will be the third annual event, with recognition for Safer Choice stakeholder organizations from five broad categories: (1) Formulators/Product Manufacturers of both Consumer and Institutional/Industrial (I/I) products, (2) Purchasers and Distributors, (3) Retailers, (4) Supporters (e.g., non-governmental organizations, including environmental and health advocates, trade associations, academia, sports teams, and others), and (5) Innovators (e.g., chemical manufacturers, technology developers, and others).

The award application and instructions are available at <https://www.epa.gov/saferchoice/safer-choice-partner-year-awards>. Interested applicants may also register for webinars on the award application process by visiting the Web site.
