Administration for Children and Families

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Provision of Child Support Services in IV-D cases under the Hague Child Support Convention; Federally Approved Forms.

OMB No.: New Collection.

Description: On January 1, 2017, the 2007 Hague Convention on the International Recovery of Child Support and Other Forms of Family Maintenance

will enter into force for the United States. This Convention contains groundbreaking provisions that, for the first time on a worldwide scale, will establish uniform, simple, fast, and inexpensive procedures for the processing of international child support cases. Once the Convention is in effect, U.S. states will process child support cases with other countries that have ratified the Convention under the requirements of the Convention and article 7 of the Uniform Interstate Family Support Act (UIFSA 2008). In order to comply with the Convention, the U.S. must implement the Convention's case processing forms.

State and Federal law require states to use federally-approved case processing forms. Section 311(b) of UIFSA 2008, which has been enacted by all 50 states, the District of Columbia, Guam, Puerto Rico and the Virgin Islands, requires States to use forms mandated by Federal law. 45 CFR 303.7 also requires child support programs to use federally-approved forms in intergovernmental IV-D cases unless a country has provided alternative forms as a part of its chapter in a Caseworker's Guide to Processing Cases with Foreign Reciprocating Countries.

Respondents: State agencies administering a child support program under title IV-D of the Social Security Act.
