Collection of Information

Title: FEMA Preparedness Grants: Port Security Grant Program (PSGP).

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0114.

FEMA Forms: FEMA Form 089-5, PSGP Investment Justification.

Abstract: The previous version of FEMA Form 089-5 is outdated and has become cumbersome with subsequent program explanations within the notice of funding opportunity explaining the type of information required. The revised form consolidates the requested information and provides easy to follow drop-down boxes to minimize confusion among applicants, reducing time needed to collect the information for both applicants and FEMA, and reducing the review time by FEMA and federal partners.
