There are no capital start-up, maintenance, or record keeping costs associated with this information collection. However, this collection does have annual (non-hour) costs in

the form of filing fees for the foreign filing petitions and postage costs. No fees are associated with the secrecy order petitions.

The license petitions all charge the 37 CFR 1.17(g) fee, for which small and micro entity discounts recently have

been introduced. The USPTO estimates that 20% of the responses in this collection will come from small entities and approximately 10% of the small entity respondents will qualify as micro entities.

The USPTO estimates that 99% of the petitions in this collection are submitted by facsimile or hand carried because of the quick turnaround required. For the 1% of the public that chooses to submit the petitions to the USPTO by mail through the United States Postal Service, the USPTO estimates that the average postage cost for a USPS Priority Mail, flat-rate envelope submission is \$6.45, and that 26 submissions will be mailed to the USPTO per year for a total estimated postage cost of \$167.70.

Therefore, the USPTO estimates that the total (non-hour) cost burden for this collection in the form of filing fees and postage costs is estimated to be approximately \$448,267.70.
