Certification Pursuant to Section 7045(A)(3)(B) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2016

By virtue of the authority vested in me as Deputy Secretary of State by Department of State Delegation of Authority 245-1, and pursuant to section 7045(a)(3)(B) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2016 (Div. K, Pub. L. 114–113), I hereby certify that the central government of Honduras is taking effective steps to:

- Establish an autonomous, publicly accountable entity to provide oversight of the Plan [of the Alliance for Prosperity in the Northern Triangle of Central America];
- Combat corruption, including investigating and prosecuting government officials credibly alleged to be corrupt;
- Implement reforms, policies, and programs to improve transparency and strengthen public institutions, including increasing the capacity and independence of the judiciary and the Office of the Attorney General;
- Establish and implement a policy that local communities, civil society organizations (including indigenous and other marginalized groups), and local governments are consulted in the design, and participate in the implementation and evaluation of, activities of the Plan that affect such communities, organizations, and governments;
- Counter the activities of criminal gangs, drug traffickers, and organized crime;
- Investigate and prosecute in the civilian justice system members of military and police forces who are credibly alleged to have violated human rights, and ensure that the military and police are cooperating in such cases;
- Cooperate with commissions against impunity, as appropriate, and with regional human rights entities;
- Support programs to reduce poverty, create jobs, and promote equitable economic growth in areas contributing to large numbers of migrants;
- Establish and implement a plan to create a professional, accountable civilian police force and curtail the role of the military in internal policing;
- Protect the right of political opposition parties, journalists, trade unionists, human rights defenders, and other civil society activists to operate without interference;
- Increase government revenues, including by implementing tax reforms and strengthening customs agencies; and
- Resolve commercial disputes, including the confiscation of real property, between United States entities and such government.

Heather A. Higginbottom,
Deputy Secretary of State.

According to EWR, it first entered into a lease agreement [Original Agreement] with NSR in 2010. See Elkhat & W. R.R.—Lease & Operation Exemption—Norfolk S. Ry., FD 35347 (STB served Feb. 19, 2010). On July 21, 2016, EWR and NSR agreed to amend the Original Agreement (1st Agreement Amendment) to extend the agreement’s termination date an additional five years, through December 31, 2024, and amend certain other specific terms of the agreement.2 EWR states that the 1st Agreement Amendment will take effect on or after the effective date of the notice of exemption.

According to EWR, it will continue to interchange traffic with NSR at a track in the vicinity of the Argo Yard. EWR states that the Original Agreement, as modified by the 1st Agreement Amendment, does not prohibit or limit EWR from interchanging with third-party connecting carriers that connect to the Line, nor does the modified agreement set forth terms governing EWR’s interchange of traffic with such third-party carriers. According to EWR, the Original Agreement, as modified by the 1st Agreement Amendment, contains a provision specifically permitting EWR unrestricted interchange with other carriers. However, EWR certifies that the Original Agreement, as modified by the 1st Agreement Amendment, contains lease credits, a type of interchange commitment. As required under 49 CFR 1150.43(b)(1), EWR has disclosed in its verified notice that the Original Agreement, as modified by the 1st Agreement Amendment, affects the interchange point of MP I 131.6 +/− at Walkerton, Ind. and MP 118.3 [at Plymouth, Ind.]. EWR has also provided additional information regarding the interchange commitment.

EWR also certifies that the projected annual revenues do not exceed those that would qualify it as a Class II or Class I rail carrier and would not exceed $5 million.

The proposed transaction may be consummated on October 29, 2016, the effective date of the exemption (30 days after the verified notice of exemption was filed). If the notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than October 21, 2016 (at least seven days before the exemption becomes effective.)

An original and ten copies of all pleadings, referring to Docket No. FD 35347 (Sub-No. 1), must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, a copy of each pleading must be served on applicant’s representative, William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW., Suite 300, Washington, DC 20037.

Board decisions and notices are available on our Web site at “WWW.STB.GOV.”

Decided: October 11, 2016.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Clearance Clerk.

Arnold Chacon,
Director General of the Foreign Service and Director of Human Resources, Department of State.

2 EWR filed a confidential, complete version of the 1st Agreement Amendment with its notice of exemption to be kept confidential by the Board under 49 CFR 1104.14(a) without the need for the filing of an accompanying motion for protective order under 49 CFR 1104.14(b).

1 EWR also has local trackage rights over approximately 13 miles of rail line owned by Fulton County, LLC, extending from MP 1–108.6 at Rochester, Fulton County, Ind., to MP 1–108.6, where it connects with the Line.
