The period of review (POR) is March 1, 2014, through February 28, 2015. As a result of our analysis of the comments and information received, these final results do not differ from the *Preliminary Results*.

Background

On April 15, 2016, the Department published the *Preliminary Results*. In accordance with 19 CFR 351.309(c)(1)(ii), we invited parties to comment on our *Preliminary Results*.² On May 16, 2016, GEO submitted a case brief and requested a hearing.³ On

August 10, 2016, the Department issued a memorandum extending the time period for issuing the final results of this administrative review from August 15, 2016, to October 12, 2016.⁴ On September 21, 2016, GEO withdrew its request for a public hearing. As no other party had requested a hearing, no public hearing was held. The Department conducted on-site verifications of Kumar and Salvi Chemical Industries Ltd., Nutracare's affiliate and glycine producer, from August 1, 2016, through August 5, 2016.⁵ On September 2, 2016, GEO and respondents submitted post-verification comments.⁶ On September 7, 2016, GEO and respondents submitted post-verification rebuttal comments.⁷

⁴ See Memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, from Madeline Heeren, International Trade Compliance Analyst, Antidumping and Countervailing Duty Operations, Office VI, through Scot Fullerton, Antidumping and Countervailing Duty Operations, Office VI, on the subject of "Glycine from the People's Republic of China: Extension of Deadline for Final Results of Antidumping; 2014/2015," dated August 10, 2016.

In its September 2, 2016, letter, Nutracare, Kumar, Ravi, and Rudraa alleged that GEO submitted untimely, new factual information in its post-verification comments. On September 12, 2016, GEO, submitted a letter in response to respondents' new factual information allegation. We have rejected GEO's submission and requested that they resubmit their comments without the new factual information.
