SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Census of Fatal Occupational Injuries information collection. The Census of Fatal Occupational Injuries provides policymakers and the public with comprehensive, verifiable, and timely measures of fatal work injuries. Data are compiled from various Federal, State, and local sources and include information on how the incident occurred as well as various characteristics of the employers and the deceased worker. This information is used for surveillance of fatal work injuries and for developing prevention strategies. Occupational Safety and Health Act of 1970 section 24(a) authorizes this information collection. See 29 U.S.C. 673(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1220-0133.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2016. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on June 28, 2016 (81 FR 42003).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0133. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

AGENCY: National Credit Union Administration (NCUA).

SUMMARY: The National Credit Union Administration (NCUA), as part of a continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the following extension requests of currently approved collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35).

ADDRESSES: Interested persons are invited to submit written comments on the information collections to Dawn Wolfgang, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314; Fax No. 703-519-8579; or Email at PRAComments@NCUA.gov.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0024.

Title: Mergers of Federally-Insured Credit Unions; Voluntary Termination or Conversion of Insured Status, 12 CFR part 708b.

Abstract: Part 708b of NCUA's rules sets forth the procedural and disclosure requirements for mergers of federally-insured credit unions, conversions from federal share insurance to nonfederal insurance, and federal share insurance terminations. Part 708b is designed to ensure NCUA has sufficient information whether to approve a proposed merger, share insurance conversion, or share insurance termination. It further ensures that members of credit unions have sufficient and accurate information to exercise their vote properly concerning a proposed merger, insurance conversion, or insurance termination. The rule also protects the property interests of members who may lose their federal share insurance due to a merger, share insurance conversion, or share insurance termination.

Type of Review: Extension of a previously approved collection.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated No. of Respondents: 214 Mergers; 4 Share Insurance Conversions; 1 Share Insurance Terminations.

Estimated Annual Frequency: 1.

Estimated Annual No. of Responses: 1,519.

Estimated Burden Hours per Respondent: 35 Merger, 15 Share Insurance Conversions; 12 Share Insurance Terminations.

Estimated Total Annual Burden Hours: 7,562.

The adjustment in burden is attributable to a decrease in the number of credit unions engaging in mergers, increase in the number of credit unions engaged in share insurance conversions, correction to the number of hours spent notifying members of proposed conversions, and corrections made in the reporting the number of responses.

OMB Number: 3133-0068.

Title: Nondiscrimination

Requirements in Real Estate-Related Lending—Appraisals, 12 CFR 701.31.

Abstract: Section 701.31 of NCUA's regulations implements requirements of the Fair Housing Act. It requires Federal credit unions (FCUs) to maintain a copy of the real estate appraisal used to support an applicant's real estate-related loan application and to make it available to that member/applicant for a period of 25 months (§ 701.31(c)(5)). The regulation also requires FCUs that use the collateral's location as a factor in evaluating real estate-related loan applications to disclose such fact on the appraisal, along with a statement justifying its use (§ 701.31 (c)(4)). NCUA and consumers use the information to ensure compliance with Fair Housing Act nondiscrimination requirements that prohibit consideration of race, color, religion, national origin, sex, handicap, or familial status in real estate appraisals.

Type of Review: Extension of a currently approved collection.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated No. of Respondents/Recordkeepers: 3,721.

Estimated No. of Responses per Respondent: 1.

Estimated Annual Responses: 3,721.

Estimated Burden Hours per Response: 1.

Estimated Total Annual Burden Hours: 3,721.

Adjustments reflect a reduction in the number of respondents due to a decline in the number of FCUs.

Request for Comments: Comments submitted in response to this notice will

be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.
