Asset Securitization	22	7.13	On Occasion	157

General Description of Collection: The Interagency Guidance on Asset Securitization Activities informs bankers and examiners of safe and sound practices regarding asset securitization. The information collections contained in the Interagency Guidance are needed by institutions to manage their asset securitization activities in a safe and sound manner. Bank management uses this information as the basis for the safe and sound operation of their asset securitization activities and to ensure that they minimize operational risk in these activities.

Request for Comment

Comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
