RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

1. Title and purpose of information collection: Vocational Report; OMB 3220–0141.

Section 2 of the Railroad Retirement Act (RRA) provides for payment of disability annuities to qualified employees and widow(ers). The establishment of permanent disability for work in the applicant's "regular occupation" or for work in any regular employment is prescribed in 20 CFR 220.12 and 220.13 respectively.

The RRB utilizes Form G–251, *Vocational Report*, to obtain an applicant's work history. This information is used by the RRB to

determine the effect of a disability on an applicant's ability to work. Form G–251 is designed for use with the RRB's disability benefit application forms and is provided to all applicants for employee disability annuities and to those applicants for a widow(er)'s disability annuity who indicate that they have been employed at some time.

Completion is required to obtain or retain a benefit. One response is requested of each respondent.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (81 FR 17511 on August 29, 2016) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Vocational Report.

OMB Control Number: 3220–0141.

Form(s) submitted: G–251.

Type of request: Extension without change of a currently approved collection.

Affected public: Individuals or Households.

Abstract: Section 2 of the Railroad Retirement Act provides for the payment of disability annuities to qualified employees and widow(ers). In order to determine the effect of a disability on an annuitant's ability to work, the RRB needs the applicant's work history. The collection obtains the information needed to determine their ability to work.

Changes proposed: The RRB proposes no changes to Form G–251.

The burden estimate for the ICR is as follows:

Form number	Annual responses	Time (minutes)	Burden (hours)
G–251 (with assistance)	5,730	40	3,820
G–251 (without assistance)	270	50	225
Total	6,000	4,045
